Call to become a patient today!
855-834-4855

The Board of Directors election is here again, and I want to thank the four candidates who have volunteered to serve our community as Board members - Steve Garcia, Rob McCoy, Loran Keith and Christopher Huntingford. Election day is April 30th, and it is very important that you return your election ballot in order to meet quorum. If you do not wish to vote for any of the candidates running for the Board, you may simply return a blank ballot which will then count only towards quorum. However, please make sure you follow the ballot instructions exactly and sign the outside of Envelope #2, or your ballot will not count. If we fail to achieve quorum, we must spend additional assessment funds to continue the election until we achieve the required quorum. Save yourself some money and return your ballot today.

April 30th is the end of the terms for Board members Steve Garcia and Rob McCoy, but they have both decided to run for a second two-year term. Mike Visser and I will be termed-out after serving four years and will both complete our Board service. I want to thank Mike very much for his service to our community. The new Board will consist of seven outstanding

community members from various backgrounds and experiences, and will serve our community well.

Since this will be my last President's Report, I want to take this opportunity to thank each of my fellow board members whom I have had the privilege and honor of serving with over the past four years. I especially want to thank the officers - Vice-President Steve Garcia, Secretary Amy Stanton, and Treasurer John Smith for taking on the additional duties of a Board officer.

Thank you to our wonderful SVLA employees, led by General Manager Glenn Grabiec, all of who work hard every day to make our community the best place to live in the High Desert. To the many dedicated, hard-working community volunteers who give of their time to help our community and often go unnoticed and unappreciated – thank you. SVLA is also served by some of the best public sector employees anywhere, including Supervisor Robert Lovingood and Don Holland, Public Works, Special Districts, County Fire and the Sheriff's Dept. SVL also benefits greatly from a truly professional team of outside consultants and vendors who support

our community every day.

Our community has made substantial progress on many fronts over the past several years. While it's important to beautify fishing areas, parks, and buildings, there were also many other significant strategic successes as well. Here's a few that I think are among the most important:

- 1) Elimination of the SVLA Sunset Clause (2011)
- 2) Purchase of permanent lake water rights (2013)
- 3) SVL storm drain maintenance program (2014)
- 4) Sound Reserve Fund, Financials, and Collections program
- 5) Video surveillance camera system (2011)
- 6) Refurbishment of Bear Valley/Spring Valley Parkway roadway (2016)
- 7) Initiation of internal road repair program (2015)
- 8) Lake coving repair reserve contributions
- 9) Delay of Tamarisk Market Place (announced 2007)

- 10) Establishment of an annual capital improvement program

1st District County Supervisor and Vice-Chairman of the Board of Supervisors, Robert Lovingood, will be holding a "Lovingood Listens" town hall meeting prior to our regular April Board meeting on April 26 at 4:30PM. Supervisor Lovingood is the elected official who we turn to when we need county help, and he delivers for Spring Valley Lake. Please come out and meet Robert and get answers to your questions.

Finally, thanks to those who have supported the Board for the past four years. It was nice to hear words of encouragement and a few kudos once in a while. I leave the Board knowing that each Director has always tried to work in the best interests of the entire community; and each of us have given our best efforts to make SVL a better place. Spring Valley Lake will be in excellent hands with the incoming Board – please give them your full support. 💎

1. Professional, well-trained and very visible Public Safety Department
2. Security camera system and at all entrances/exits to the community (all of which were recently upgraded to state-of-the-art quality)
3. Outstanding relationship with the Sheriff's Department, California Highway Patrol, Citizens on Patrol and Victor Valley College Police Department

We will continue to do our very best to provide excellent service to the community by maintaining these relationships, improving our systems and providing continued professional training to our Public Safety Officers.

DID YOU KNOW?

THE FIRST HOUSE BUILT IN SPRING VALLEY LAKE WAS IN 1970?

This house was built as a model home. It sits atop the bluff overlooking the 18th tee and green. It also has an incredible view of the club house and lake. It remained a model home until it was purchased by a family in 1972.

The first home built on the lake was in 1973 and it is a Spanish Hacienda named “La Casa En La Punta” (the home on the point). This home has a beautiful view on one of the lake fingers.

First Home on the Lake, February 1973
13798 Pyramid Dr.

Sonshine Collision Services, Inc.

The safe choice since 1984

Make the Safe Choice! YOU choose who you want to repair your car!

When you need collision repair, the safety of you and your family should always come first. Inexpensive or careless repairs can result in the failure of your vehicle's safety restraint system, when you need it most... at the moment of impact in an accident.

At Sonshine Collision Services, you'll receive the kind of service, quality, and integrity that ensure your repairs will not only preserve your vehicle's value and factory warranty, but protect you and your family as well. Remember: You, the consumer, have the right to make your own choice. So, make the RIGHT choice... make the SAFE choice... Call Sonshine Collision Services, Inc.

Meadowlark Park Playground

We have recently finished up the new playground structures and swings sets; all under 2 new shade structures at Meadowlark Park. The shade structure required the footings to be level with the surrounding ground level which left them exposed. This made the concrete footings look menacing in the middle of the play area. The placement did

meet the safety distance requirements, but their appearance made us look into a padding solution for the bases. We worked with a local upholsterer to come up with a solution which is now installed. It provides 2" thick padding on top of the footing with 1" thick padding around the sides. It is safety yellow UV protected vinyl so it should provide many years of safety.

Fishing Area 8

The building is up with the metal roof structure being installed. The flatwork and footing are now being poured. We are excited to watch the progress continue at Fishing Area 8.

At the Equestrian Estates

We have concreted the smallest stall, creating a very needed feed room for our boarded horses. This concrete flooring helps to protect the feed from hungry critters. It also will help clear up our main aisle by allowing for a secure room for those necessary items by storing them in this room.

We will also continue clearing v-ditch's and trails.

OUR LAKE

There are a few items that we want to make you aware of. We are finishing up with refurbishing and replacing all the lake buoys. The perimeter orange buoys are now sporting new orange LED low profile lighting. We have received our final planting of trout on 4/6/2016. We also planted 15,000 minnows and shiners, 5,000 each Bluegill and Red ear sun fish as well as Crappie. Below is a couple Crappie that were caught just last month.

I also want to bring attention to some scheduling we have for lake and beach treatment.

Beach area closure for our chlorine treatment will be every other Tuesday at 4:30pm. The beach area will reopen the following morning at its normal time. The closures will start after Memorial weekend and continue through to Labor day weekend. Also being scheduled is our Lake Alum treatment. Over the years we have decreased the application time from 2 weeks down to 5 days. Our plan is to close the lake from May 9 to May 13 during the treatment. Just to give you a brief description of the Alum treatment we do: It has been an adopted application as part of our lake clarity program to help improve water quality and promote lake plant growth to help balance the Eco system of our lake. Alum is applied in a liquid state at 80mg/l dosage. On contact with the water, the process of flocking occurs. The Floc created by the alum will grab phosphorus and sediment that is floating in our water. The phosphorus in it can no longer be used as food by algae organisms. Due to its density, it will settle to the bottom leaving the lake noticeably clearer. It is the same process they use for drinking water treatment. Please note the dates in your calendars, we will also be sending out reminders as we get closer to the date. During the process the water will turn an aqua blue color and immediately we will see over 20' of water clarity. Boat traffic and wind action will lower the quality as they turn up the water and sediment off the bottom, but we have experienced clearer waters as treatments continue.

OPERATIONS REPORT (continued)

Meadowlark Park Project

I wanted to share the layout of Meadowlark Park that was presented by the Planning Committee and point out some key points from the layout we are currently moving forward with. The key points of this new park will include the following:

- 3 new baseball fields with the back stops centrally located—The south field will include a 15' tall outfield fence for Adult softball.
- New Little League snack shack centrally located.
- New DG walking patch approx. 10-12' wide to accommodate groups. This will allow you to complete 1/2 mile loop around the perimeter.
- The walking patch will include 7 outdoor exercise stations.
- 7000 sq.ft. off-leash dog park with entrances off Rolling Ridge so you will not have to enter the park.
- 3000 sq. ft. covered picnic/BBQ area.
- 1—2 pickle ball courts.
- Batting cage

These key features are not all, but are the main ones and, of course, will include new sod, irrigation, LED pathway lighting, concrete pathways, large planter areas, etc..

We are currently working closely with the County and looking to start construction documents with our designer. Rough construction cost are being developed to come up with a phased schedule that will meet our budgeting. We are looking forward to break ground late this summer.

CODE ENFORCEMENT MEMBER SERVICES COMMUNITY SERVICES COMMUNITY EVENTS RECREATION

PAUL BEAM Director

They say April Showers will bring May flowers, so we should be getting some nice blooms for Mother's Day! The weather just can't seem to make up its mind what season it wants to be in. One day the heaters are on, and the next we have the windows open.

Soon enough we will be complaining about the heat wondering what happened to spring. Spring time seems to be that period when we all try to come alive after winter slacking. We begin to clean the inside of the house, and tackle the poor ol' garage and shed.

We sure encourage Homeowners to spend time maintaining their landscaping. We want to share CSA 64's Watering Schedule just as a reminder. The schedule requires property owners to water based on odd and even address numbers:

**Even numbers water on –
Tuesday, Thursday and Saturday**

**Odd numbers water on –
Wednesday, Friday, and Sunday**

They also advise that the best time for lawn watering is twice, between 11 p.m. and 4 a.m. They advise staggering times helps the lawn to absorb the water fully.

We see many lawns that have been just totally let go and are turning to dirt. Please be aware that we are writing these lawns, due to being nothing but weeds. Brown, yellow, and dead grass is one thing, but a

yard full of weeds is going to cost you a violation. We are also writing trees and bushes that are hanging over the curbs. Please get those trimmed back at least to the curb, inside of the curb. As the weather warms up, please take some pride in your landscaping and clean it up.

The way drivers speed down the Parkway, you would think they were training for the Indy 500. Driftwood, Riverview, Bermuda Dunes, and Kalin Ranch are some of the other streets that you can see speeders. **On NO street here in Spring Valley Lake is the speed Limit over 35 MPH.**

Two Homeowners know far to well just how much damage a speeder can cause. Sooner or later, the damage is going to be a human instead of a car and tree. While inspecting the homes Code Officers have had drivers honk them to move out of the way due to going to slow. Now that is rude!!!! Drivers need to slow down, especially with spring and summer coming, and be aware of children and adults out and about.

While we'er talking about driver's let's mention Golf Carts and Scooters. We DO NOT want to see kids driving Golf Carts on any of the streets. They are not toys, and it is illegal. When you are on Scooters, make sure you have a license, and make sure you have your helmet on, and not you hair flying in the breeze!

ALFRED LOGAN, PUBLIC SAFETY DIRECTOR

Are You Trained in CPR?

If you are not trained in CPR, please take advantage of being an SVLA member. Our Public Safety Department will be creating a sign-up sheet for SVLA residents that are interested in taking the class. This class will be offered to residents at a discount. Almost anyone can learn CPR and we believe everyone should.

During a cardiac emergency, 70% of Americans either feel they have insufficient training or have no idea how to perform CPR. This is obviously a big concern to us because 70% of cardiac arrests happen at home. The life you save with CPR will most likely be a loved one. Here are a few interesting facts:

- Four out of five cardiac arrests

happen at home.

- Many victims appear healthy with no known heart disease or other risk factors.
- Over 350,000 out-of-hospital sudden cardiac arrests occur annually.
- Effective bystander CPR provided immediately after sudden cardiac arrest can double or triple a victim's chance of survival, but only 46 percent of cardiac arrest victims get CPR from a bystander.
- Sudden cardiac arrest is not the same as a heart attack.

If you are interested in taking the class please keep an eye out for our next course. We will post the next date via e-blast, social media and SVLA.com. If you have any questions, please contact our office. (760-245-6400) 📞

Meet the Team

We have a group of amazing employees and we would like to give you the opportunity to get to learn something new about the people that help keep your community safe. Welcome to our newest Public Safety staff!

Julie Anthony, Dispatcher

Hello, My name is Julie Anthony, Public Safety Dispatcher for SVLA. I recently moved from the Midwest back to Southern California after 25 years. I have been in the Law Enforcement field my entire career, 22 years of that as

a 911 Dispatcher. My family and friends are extremely important to me. In my spare time I enjoy shopping, going to garage sales, scrapbooking, exercising, socializing, walking my dog and various outdoor activities. I live by the motto: "Live Well~ Laugh Often~ Love Much". I look forward to serving the community and being a part of the SVLA team.

Carlos Logwood, Officer

Hello residents of Spring Valley Lake! My name is Carlos Logwood; I'm a new Officer with the Spring Valley Lake Public Safety Department. I started on March 1, 2016 and I am currently working Swing Shift. I've been in the Security Industry for 28 years, and I love helping people solve their problems. I've lived in Victorville for the past four years now, and I am planning to make Spring Valley Lake my new home real soon. I enjoy spending time with my family as much as I can. The short time that I've been working at Spring Valley Lake, I've enjoyed

the kindness of the residents that I have come in contact with and that I am surrounded by a great group of co-workers and administration staff. I come from a family of Law Enforcement and I once owned my very own security company where I worked for the Movie Industry for 8 years. I was once employed with the Hesperia Unified School District, which I enjoyed very much. I look forward to seeing all of you to lend a helping hand where it's needed. If you ever see me on patrol, don't forget to say hello, please remember to have a great day, and be safe out there. If you ever have any questions feel free to call me at the Public Safety office at (760)245-6400 and I will kindly help you out.

The SVL Veterans Club

The SVL Veterans Club meeting on March 15, 2016, was very informative. It was a good chance to bond with fellow Veterans and plan out the year's events.

Our next meeting is scheduled for **Tuesday, April 19, 2016, at 7:00 p.m.** in the Community Center, Room CB3. We would love to have you join us.

You can email us at svlveterans@gmail.com or find us on Facebook

SVL Veterans Club

SVL Arthritis Exercise

Weekly Classes: Tues & Thurs 8-9 am

Community Building, CB3

Come and try out the exercises that can help!

Class teaches methods to ease pain caused by arthritis in fingers, hands, wrist, neck, spine, feet and other joints.

Exercises help prevent stiffness, deformity and improve your range of motion.

For more information call Instructor

Dottie Schiller: 760-243-4697

Please bring SVL member card or guest pass

Spring Valley Lake Equestrian Center

Visit the Horses of SVL...

If you are not a horse owner or don't live in the Equestrian Estates of Spring Valley Lake you may not be aware of our

Equestrian Center.

Located in the heart of our Equestrian Estates, in Apple Valley, we have a horse boarding facility that can hold up to 28 horses, has 3 tack rooms, large arena, additional turnout, horse washing station and a hot walker.

All horses who are boarded here are watered and fed three times a day by our staff along with

mucking of the stalls.

Even if you are not a horse owner, looking for a place to board your horse, the Equestrian Center is a nice place to take a visit. Many days, if the weather is nice, you will find many owners exercising their horses in the arena or just taking them out for a nice stroll.

It is always fun to take a trip to visit the horses. If you have little ones this could be a very fun activity to do with them. The horses love

having visitors and they just ask that you do not feed them.

Take advantage of what Spring Valley Lake has to offer you that no other place in the High Desert does. Get out there and enjoy the beauty and fun that is right in your community.

The Equestrian Center

also has a nice facility available to rent which holds 50 people and provides a nice rustic environment.

Visit the Spring Valley Lake Equestrian Center 12660 Indian River Dr. Apple Valley, CA 92308.

If you are interested in boarding a horse or renting the Equestrian Clubhouse for an event contact the Association Office for more information 760.245.9756.

THE Village

In Apple Valley

Where Neighborhood Business is Tradition

The Village

The Village was the original heart of Apple Valley. Today, it is the perfect combination of old and new. It remains the nostalgic core of our community but is experiencing a rebirth in shopping and commerce. True to its roots, The Village is an experience "Where Neighborhood Business is Tradition." The Apple Valley Village Business District offers an advantageous mix of commercial uses including retail stores, service-related businesses, warehousing and light industry. It runs along Highway 18, generally between Navajo Road on the west to Mesquite Road on the east, and from Ottawa Road on the south to as far north as Esaws Avenue.

SVLA Breeze

Leadership Victor Valley is Impacting SVL

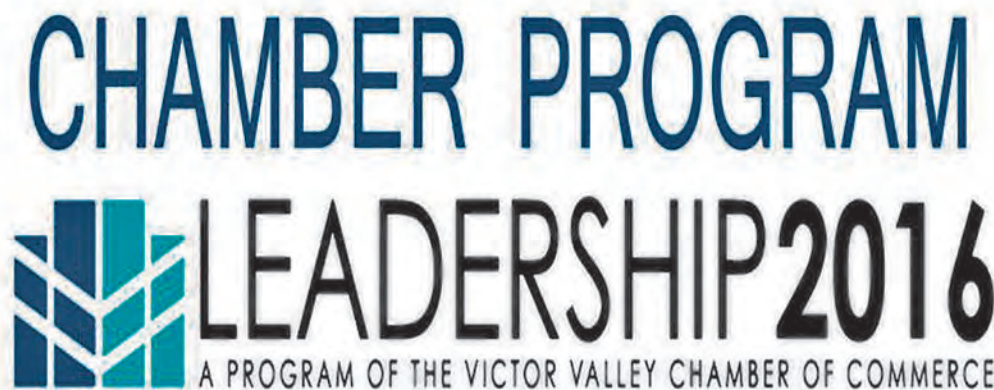

Alfred Logan, Director of Public Safety, 2016 Participant!

Our Director of Public Safety, Alfred Logan, is participating in Leadership Victor Valley, a leadership program of the Chamber of Commerce. This program gives participants a comprehensive overview of the High Desert area in regards to its realities, opportunities and challenges.

The program extends from January through June and there are various different courses that the participants engage in which encompass subjects in leadership, media & public relations, education, access government, human relations & diversity, economic development, healthcare & social issues, the court system, natural resources and law enforcement & criminal justice.

This benefits of this program assists participants in all aspects of career as well as life journey's. The key benefits gained from this program are; increased leadership skills, greater knowledge of the region, an informed network of diverse colleagues, refinement of values and personal mission, networking opportunities, knowledge of regional issues, exposure to other community leaders and more.

We are proud of Alfred Logan, in participating in this program to increase his knowledge and leadership skills. Our Public Safety Department will benefit from his hard work and dedication.

PRESS RELEASE

Growing Again in the High Desert

New construction is set to begin at the first senior living community built in Victorville, CA

Victorville, CA (March 15, 2016) – Koelsch Senior Community, is growing again in the high desert. Sterling Inn, located in Victorville, CA, is scheduled for a \$9 Million dollar enhancement to its already illustrious community in the beautiful high desert. Set to begin in September, 2016 this new construction project will include an additional 37 units. Also included, will be enhancements and upgrades throughout the community.

Sterling Inn will grow from 98,000 to 133,000 square feet and include new parking spaces. Continuing in the history of quality design and craftsmanship, there will be new one-bedrooms, larger studios, and two-bedroom units. Development is expected to finish in the fall of 2017.

For more information please contact the Executive Director at Sterling Inn at sterlinginnED@koelschsenior.com or (760) 245-2999.

Second generation, family owned and operated for over 58 years, Koelsch Senior Communities lead the industry in Independent, Assisted Living and Memory Care by training and employing licensed nurses and professional staff on-site 24 hours a day, 7 days a week. Our communities utilize the specially designed Personal Touch ProgramSM, instilling significance in every interaction. Koelsch Senior Communities are committed to bringing dignity, respect and the highest standards of service to our residents and family members.

SVL General Manager Receives Rising Champion Award

Congratulations to Our Manager, Glenn Grabiec!

The Rising Champion Award given through CACM (California Association of Community Managers) recognizes one manager with less than two years of experience in the California Community Management Industry who has exhibited drive, determination, and exceptional abilities. This award is given to the manager who has consistently raised the bar and exceeded board's expectations. He or she may have solved a challenging situation while exemplifying the skill set of the profession's finest, or immediately gained the confidence of a board of directors and resolved many of their outstanding issues.

There were 18 nominations for Southern California and we are honored that our Manager Glenn Grabiec was recognized for all his hard work and dedication to our Community by being awarded the Rising Champion Award.

Congratulations Glenn, and thank you for doing an outstanding job!

Spring Time in Paris

Dinner Dance 2016

There was a little taste of Paris in Spring Valley Lake Saturday Night, April 9, 2016. There were Eiffel towers and berets to be seen all around. All enjoyed a delicious French meal consisting of dinner salad, roast beef with au jus sauce, au gratin potatoes, French style green beans and dinner rolls. There was also a delicious dessert bar that consisted of éclairs, cream puffs and cupcakes that was hard to keep stocked. Daze of Blue delivered a great performance and were sure to keep the dance floor alive throughout the night. It was a great evening. Thank you to all who came and spent the beautiful evening with us. We hope to see you soon!

SVL Yacht Club

Story by Yvonne Beckelhymer

Our SVL Social & Fishing Club is very much alive, and has grown since the beginning of the year. We have welcomed many new members, thanks to the efforts of Mike Conroy, our President. The membership of the Club applauds his efforts.

We started the year with a large turnout for the January meeting. In February, we had over a hundred members for our great Italian night dinner.

In March we had a huge turnout for Bingo. The addition of hot dogs was the Conroy's great idea.

Not many people can resist a hot dog and not having to cook on Bingo night. Past president Robert Eaton was our Bingo caller. With his quick wit and funny sense of humor, the members enjoyed the night.

We are looking forward to our April Spring Pot Luck meeting. With so many new members, we will have new dishes to sample, and new recipes to collect.

THE SVL SOCIAL & FISHING CLUB IS ALWAYS CASTING FOR NEW MEMBERS, SO TAKE THE BAIT AND JOIN OUR CLUB. COME SOCIALIZE WITH US.

Easter Egg Hunt 2016

The Easter Bunny was in Spring Valley Lake early Saturday morning March 26, 2016. He hid over 3,000 eggs in Meadowlark Park and visited with nearly 400 adults and children. He kept the smile on his face as the line continued to grow to get a picture with him. Right at 9am the little ones took off through the gate and began gathering all the eggs into their little baskets. You could see smiles and hear giggles all around. Next up was the older ones. You could see the eagerness and determination in their eyes as they ran through the gates to get the most eggs as possible. Once the hunt was over many stuck around and played on the new playground sets and enjoyed free donuts, coffee and juice. It was a great morning and we thank everyone who came out and celebrated Easter with us. The Easter Bunny hopes to see you all again next year!
