Dear SVLA Homeowner:

The SVLA Board of Directors is pleased to announce the adoption of the new 2016-2017 annual budget, reserve and personal property replacement schedules with their respective funding plans. Included with this mailing is the required annual disclosure package which contains: the compiled financial forecast (2016-2017 annual budget), reserve and personal property schedule, the funding schedules, insurance information, collection and delinquency policy, and security disclaimer. The association's governing documents are available on the website at www.svla.com.

We will continue to look for ways to increase efficiency, improve service, and reduce our operating costs through-out the coming year. SVLA continues to have success in improving our Reserve funding, collection of delinquent accounts, and improving the overall look of our community. Spring Valley Lake Association

To: All Members

Date: September 9, 2016

From: Board of Directors

Subject: Annual Budget Report

In accordance with California Civil Code 4076; 5300-5320, enclosed is the;

- 1. Fiscal year budget effective November 1, 2016;
- 2. Reserve statement for fiscal year 2016-2017, and;
- 3. The approved assessment collection policy.

After careful review of the 2015-2016 operating and reserve expenses, we have determined that the projected expenses for 2016-2017 cannot be met with the current income. Therefore, the total assessment will increase to \$265.00 per unit per quarter.

Your assessment includes reserve funding of \$81,000.00 per quarter, which is less than the amount recommended in the most recent reserve study projected at 53.9% funded starting 2017. Based on this level of funding the Board of Directors does not anticipate that one or more special assessments may be required this year to repair, replace or restore any major component or to provide adequate reserves. A copy of the full reserve study plan is available upon request.

The Association has a loan with Pacific Western Bank with a maturity date of February 21, 2025.

Pursuant to the requirements of California Civil Code 5300(a);(b)(9), enclosed please find the Annual Insurance Disclosure Statement and Information.

The successful operation of any association is dependent on the cooperation of all homeowners. Your continued support is appreciated.

- This Reserve Study was prepared by a credentialed Reserve Specialist (RS).
- Because your Reserve Fund at 53.9% Funded, this represents a fair position. In perspective, associations funded above 70% enjoy little risk of a special assessment. Your multi-year Funding Plan is designed to gradually bring you to the 60% - 70% level.
- This funding plan is not a recommendation of Association Reserves, but rather a request by the board of the association.

SPRING VALLEY LAKE ASSOCIATION INSURANCE DISCLOSURE STATEMENT

California Civil Code 5300 (a) (9) requires homeowner associations to disclose a summary of certain insurance policies maintained by the association. For your information, Spring Valley Lake Association is pleased to summarize the insurance coverage as follows:

This disclosure statement is a general description of coverage. All coverage is subject to the exclusions and conditions of the insurance contracts. Statements here cannot alter, reduce, or expand any coverage in the policies. The information provided is deemed accurate at the time of issue. Owners with questions are encouraged to contact the association's insurance agent at the following address:

ISU Insurance Services – ARMAC Agency Agent: Tami Pickens 17177 Yuma Street, Victorville CA 92395 Office 760,269,3310 Fax 760,269,3360

This summary of the association's policies of insurance provides only certain information, as required by subdivision (9) of Section 5300 (a) of the Civil Code, and should not be considered a substitute for the completed policy terms and conditions contained in the actual policies of insurance. Any association member may, upon request and provision of reasonable notice, review the association's insurance policies and, upon request and payment of reasonable duplication charges, obtain copies of those policies. Although the association maintains the policies of insurance specified in this summary, the association's policies of insurance may not cover your property, including personal property or, real property improvements to or around your dwelling, or personal injuries or other losses that occur within or around your dwelling. Even if a loss is covered, you may nevertheless be responsible for paying all or a portion of any deductible that applies. Association members should consult with their individual insurance broker or agent for appropriate additional coverage.

Individual Liability Policies and Loss Assessment Coverage:

It is very important that you explore your own risks with a knowledgeable insurance agent, and purchase coverage to protect you from any liability from an accident occurring in your own unit, the common area, and/or any exclusive use common area (such as patios, garages, carports, balconies), and to protect you from any liability or insurance gaps in coverage between the association's coverage and your own. It is also strongly recommended that you inquire about Loss Assessment Coverage. An endorsement for loss assessment provides protection to individual unit owners for extraordinary special assessments, such as excess liability over the association's insurance proceeds or an extraordinary expense incurred by the association, allocated to the owners, through a special assessment (such as a special assessment to pay for rebuilding costs which exceed insurance proceeds from an earthquake or fire loss). Please contact your personal insurance agent for further details.

SPRING VALLEY LAKE ASSOCIATION ASSESSMENTS AND FORECLOSURE NOTICE

This notice outlines some of the rights and responsibilities of owners of property in common interest developments and the associations that manage them. Please refer to the sections of the California Civil Code indicated for further information. A portion of the information in this notice applies only to liens recorded on or after January 1, 2003. You may wish to consult a lawyer if you dispute an assessment.

ASSESSMENTS AND FORECLOSURE

Assessments become delinquent 15 days after they are due, unless the governing documents provide for a longer time. The failure to pay association assessments may result in the loss of an owner's property through foreclosure. Foreclosure may occur either as a result of a court action, known as judicial foreclosure or without court action, often referred to as nonjudicial foreclosure. For liens recorded on and after January 1, 2006, an association may not use judicial or nonjudicial foreclosure to enforce that lien if the amount of the delinquent assessments or dues, exclusive of any accelerated assessments, late charges, fees, attorney's fees, interest, and costs of collection, is less than one thousand eight hundred dollars (\$1,800). For delinquent assessments or dues in excess of one thousand eight hundred dollars (\$1,800) or more than 12 months delinquent, an association may use judicial or nonjudicial foreclosure subject to the conditions set forth in Section 5705 of the Civil Code. When using judicial or nonjudicial foreclosure, the association records a lien on the owner's property. The owner's property may be sold to satisfy the lien if the amounts secured by the lien are not paid. (Sections 5600, 5650 and 5705 of the Civil Code)

In a judicial or nonjudicial foreclosure, the association may recover assessments, reasonable costs of collection, reasonable attorney's fees, late charges, and interest. The association may not use nonjudicial foreclosure to collect fines or penalties, except for costs to repair common areas damaged by a member or a member's guests, if the governing documents provide for this. (Sections 5605 and 5650 of the Civil Code)

The association must comply with the requirements of Section 5650 of the Civil Code when collecting delinquent assessments. If the association fails to follow these requirements, it may not record a lien on the owner's property until it has satisfied those requirements. Any additional costs that result from satisfying the requirements are the responsibility of the association. (Section 5650 of the Civil Code)

At least 30 days prior to recording a lien on an owner's separate interest, the association must provide the owner of record with certain documents by certified mail, including a description of its collection and lien enforcement procedures and the method of calculating the amount. It must also provide an itemized statement of the charges owed by the owner. An owner has a right to review the association's records to verify the debt. (Section 5650 of the Civil Code)

If a lien is recorded against an owner's property in error, the person who recorded the lien is required to record a lien release within 21 days, and to provide an owner certain documents in this regard. (Section 5650 of the Civil Code)

The collection practices of the association may be governed by state and federal laws regarding fair debt collection. Penalties can be imposed for debt collection practices that violate these laws.

PAYMENTS

When an owner makes a payment, he or she may request a receipt, and the association is required to provide it. On the receipt, the association must indicate the date of payment and the person who

received it. The association must inform owners of a mailing address for overnight payments. (Section 5650 of the Civil Code).

An owner may, but is not obligated to, pay under protest any dispute charge or sum levied by the association, including, but not limited to, an assessment, fine, penalty, late fee, collection cost, or monetary penalty imposed as a disciplinary measure, and by so going, specifically reserve the right to contest the disputed charge or sum in court or otherwise.

An owner may dispute an assessment debt by submitting a written request for dispute resolution to the association as set forth in Article 2, commencing with Section 5900, of the Civil Code. In addition, an association may not initiate a foreclosure without participating in alternative dispute resolution with a neutral third party as set forth in Article 3, commencing with Section 5925 of the Civil Code, if so requested by the owner. Binding arbitration shall not be available if the association intends to initiate a judicial foreclosure.

An owner is not liable for charges, interest, and costs of collection, if it is established that the assessment was paid properly on time. (Section 5650 of the Civil Code)

MEETINGS AND PAYMENT PLANS

An owner of a separate interest that is not a timeshare may request the association to consider a payment plan to satisfy a delinquent assessment. The association must inform owners of the standards for payment plans, if any exist. (Section 5650 of the Civil Code)

The board of directors must meet with an owner who makes a proper written request for a meeting to discuss a payment plan when the owner has received a notice of a delinquent assessment. These payment plans must conform with the payment plan standards of the association, if they exist. (Section 5650 of the Civil Code)

(c) A member of an association may provide written notice by facsimile transmission or United States mail to the association of a secondary address. If a secondary address is provided, the association shall send any and all correspondence and legal notices required pursuant to this article both the primary and secondary address. (Section 4040(b) of the Civil Code)

Prompt payment of Assessments by all owners is critical to the financial health of the Association and to the enhancement of the property values of our homes. Your Board of Directors takes very seriously its obligation under the Declaration of Covenants, Conditions and Restrictions (CC&Rs) and the California Civil Code to enforce the members' obligation to pay assessments. The policies and practices outlined shall remain in effect until such time as they may be changed, modified, or amended by a duly adopted resolution of the Board of Directors. Therefore, pursuant to the CC&Rs and Civil Code Section 5310(a), the following are the Association's assessment practices and policies:

- 1. Assessments, late charges, interest and collection costs, including any attorneys' fees, are the personal obligation of the owner of the property at the time the assessment or other sums are levied (Civil Code Section 5650(a)).
- 2. Annual Assessments shall be paid quarterly in four (4) equal installments. Each installment is due on the first day of each month. A courtesy billing statement is sent each month to the billing address on record with the Association. However, it is the owner of record's responsibility to pay each assessment in full each month regardless of whether a statement is received. All other assessments, including special assessments, are due and payable on the date specified by the Board on the Notice of Assessment, which date will not be less than thirty (30) days after the date of notice of the special assessment.
- 3. Any payments made shall be first applied to assessments owed, and only after the assessments owed are paid in full shall such payments be applied to late charges, interest, and collection expenses, including attorneys' fees, unless the owner and the Association enter into an agreement providing for payments to be applied in a different manner.
- 4. Assessments not received within fifteen (15) days of the stated due date are late and shall be subject to a late charge not to exceed ten percent (10%) of the delinquent assessment or ten dollars (\$10), whichever is greater.
- 5. Interest charge at the rate of 12% per annum will be assessed against any outstanding balance including delinquent assessments, late charges, and costs of collection, which may include attorneys' fees. Such interest charges shall accrue thirty (30) days after the assessment becomes due and shall continue to be assessed each month until the account is brought current.
- 6. If a special assessment is payable in installments and an installment payment of that special assessment is delinquent for more than thirty (30) days, all installments will be accelerated and the entire unpaid balance of the special assessment shall become immediately due and payable. Any unpaid balance shall be subject to a late charge and interest as provided above.
- 7. If an assessment is not received within thirty (30) days after the assessment becomes due, the Association or its designee, will send a pre-lien letter to the owner as required by Civil Code Section 5660 by certified and first class mail, to the owner's mailing address of record advising of the delinquent status of the account, impending collection action and the owner's right to request that the Association participate in some form of internal dispute resolution process ("IDR"). The owner will be charged a fee for the pre-lien letter. Notwithstanding the provisions of this paragraph, the Association may (i) send a pre-lien letter to a delinquent owner at any time when there is an open escrow involving the Owner's Unit/Lot, and/or (ii) issue a pre-lien letter immediately if any special assessment becomes delinquent.

- 8. If an owner fails to pay the amounts set forth in the pre-lien letter and fails to request IDR within thirty (30) days of the date of the pre-lien letter, the Board shall decide, by majority vote in an open meeting, whether to authorize the Management Company or the collection attorney to record a lien for the amount of any delinquent assessments, late charges, interest and /or costs of collection, including attorneys' fees, against the owner's property. The owner will be charged for the fees and costs of preparing and recording the lien. The lien may be enforced in any manner permitted by law, including, without limitation, judicial or non-judicial foreclosure (Civil Code Section 5700(a)).
- 9. Once the matter has been transferred to the collection attorney, the collection attorney may be authorized to commence a non-judicial foreclosure action to enforce the lien if and/or when thirty (30) days has passed since the lien was recorded and either (a) the delinquent assessment amount totals One Thousand, Eight Hundred Dollars (\$1,800) or more, excluding accelerated assessments and specified late charges and fees or (b) the assessments are delinquent for more than twelve (12) months. An owner could lose ownership of the property if a foreclosure action is completed. Owners will be responsible for significant additional fees and costs if a foreclosure action is commenced against your property.
- 10. The decision to foreclose on a lien must be made by a majority of the Board of Directors in an Executive Session meeting and the Board of Directors must record their votes in the minutes of the next open meeting of the Board. The Board must maintain the confidentiality of the delinquent owner(s) by identifying the matter in the minutes by only the parcel number of the owner's property. Prior to initiating any foreclosure sale on the recorded lien, the Association shall offer delinquent homeowners the option to participate in IDR or Alternative Dispute Resolution ("ADR").
- 11. An owner is entitled to inspect the Association's accounting books and records to verify the amounts owed pursuant to Corporations Code Section 8333.
- 12. In the event it is determined that the owner has paid the assessments on time, the owner will not be liable to pay the charges, interest, and costs of collection associated with collection of those assessments.
- 13. An owner has the right to dispute the assessment debt by submitting a written request for dispute resolution to the collection attorney for delivery to the association pursuant to Article 2 (commencing with Section 5900) of Chapter 10 of the Civil Code.
- 14. An owner has the right to request alternative dispute resolution with a neutral third party pursuant to Article 3 (commencing with Section 5925) of Chapter 10 of the Civil Code before the Association may initiate foreclosure against the owner's separate interest, except that binding arbitration shall not be available if the Association intends to initiate a judicial foreclosure.
- 15. Any owner who is unable to pay assessments will be entitled to make a written request for a payment plan to the collection attorney to be considered by the Board of Directors. An owner may also request to meet with the Board in executive session to discuss a payment plan if the payment plan request is mailed within fifteen (15) days of the postmark date of the pre-lien letter. The Board will consider payment plan requests on a case-by-case basis and is under no obligation to grant payment plan requests. Payment plans shall not interfere with the Association's ability to record a lien on an owner's separate interest to secure payment for the

owner's delinquent assessments. If the Board authorizes a payment plan, it may incorporate payment of ongoing assessments that accrue during the payment plan period. If a payment plan is approved, additional late fees from the homeowner will not accrue while the owner remains current under the terms of the payment plan. If the owner breaches an approved payment plan, the Association may resume its collection action from the time the payment plan was approved.

- 16. Nothing herein limits or otherwise affects the Association's right to proceed in any lawful manner to collect any delinquent sums owed to the Association.
- 17. Prior to the release of any lien, or dismissal of any legal action, all assessments, late charges, interest, and costs of collection, including attorneys' fees, must be paid in full to the Association.
- 18. The Association shall charge the owner a Twenty-Five Dollar (\$25.00) fee for the first check tendered to the Association that is returned unpaid by the owner's bank and Thirty-Five Dollars (\$35.00) for each subsequent check passed on insufficient funds. If the check cannot be negotiated, the Association may also seek to recover damages of at least One Hundred Dollars (\$100.00), or, if higher, three (3) times the amount of the check up to One Thousand, Five Hundred Dollars (\$1,500.00) pursuant to Civil Code Section 1719.
- 19. Owners have the right to provide a secondary address for mailing for purposes of collection to the Association. The owner's request shall be in writing and shall be mailed to the Association in a way that shall indicate that the Association has received it. An owner may identify or change a secondary address at any time, provided that, if a secondary address is identified or changed during the collection process, the Association shall only be required to send notices to the indicated secondary address from the point the Association receives the request.
- 20. All charges listed herein are subject to change upon thirty (30) days' prior written notice.
- 21. Until the owner has paid all amounts due, including delinquent assessments, late charges, interest and costs of collection, including attorneys' fees, the Board of Directors may suspend the owner's right to vote, and suspend the owner's right to use the Association's recreational facilities after providing the owner with a duly noticed hearing pursuant to Civil Code Section 5855. However, any suspension imposed shall not prevent the delinquent owner from the use, benefit and pleasure of the owner's lot.
- 22. The mailing address for overnight payment of assessments is:

23. The mailing address if your account is in collections:

NOTICE ASSESSMENTS AND FORECLOSURE

Please refer to the sections of the Civil Code indicated for further information. A portion of the information in this notice applies only to liens recorded on or after January 1, 2003. ASSESSMENTS AND FORECLOSURE

Assessments become delinquent 15 days after they are due, unless the governing documents provide for a longer time. The failure to pay association assessments may result in the loss of an owner's property through foreclosure. Foreclosure may occur either as a result of a court action, known as judicial foreclosure, or without court action, often referred to as nonjudicial foreclosure. For liens recorded on and after January 1, 2006, an association may not use judicial or nonjudicial foreclosure to enforce that lien if the amount of the delinquent assessments or dues, exclusive of any accelerated assessments, late charges, fees, attorney's fees, interest, and costs of collection, is less than one thousand eight hundred dollars (\$1,800). For delinquent assessments or dues in excess of one thousand eight hundred dollars (\$1,800) or more than 12 months delinquent, an association may use judicial or nonjudicial foreclosure subject to the conditions set forth in Article 3 (commencing with Section 5700) of Chapter 8 of Part 5 of Division 4 of the Civil Code. When using judicial or nonjudicial foreclosure, the association records a lien on the owner's property. The owner's property may be sold to satisfy the lien if the amounts secured by the lien are not paid. (Sections 5700 through 5720 of the Civil Code, inclusive)

In a judicial or nonjudicial foreclosure, the association may recover assessments, reasonable costs of collection, reasonable attorney's fees, late charges, and interest. The association may not use nonjudicial foreclosure to collect fines or penalties, except for costs to repair common area damaged by a member or a member's guests, if the governing documents provide for this. (Section 5725 of the Civil Code)

The association must comply with the requirements of Article 2 (commencing with Section 5650) of Chapter 8 of Part 5 of Division 4 of the Civil Code when collecting delinquent assessments. If the association fails to follow these requirements, it may not record a lien on the owner's property until it has satisfied those requirements. Any additional costs that result from satisfying the requirements are the responsibility of the association. (Section 5675 of the Civil Code)

At least 30 days prior to recording a lien on an owner's separate interest, the association must provide the owner of record with certain documents by certified mail, including a description of its collection and lien enforcement procedures and the method of calculating the amount. It must also provide an itemized statement of the charges owed by the owner. An owner has a right to review the association's records to verify the debt. (Section 5660 of the Civil Code)

If a lien is recorded against an owner's property in error, the person who recorded the lien is required to record a lien release within 21 days, and to provide an owner certain documents in this regard. (Section 5685 of the Civil Code)

The collection practices of the association may be governed by state and federal laws regarding fair debt collection. Penalties can be imposed for debt collection practices that violate these laws.

PAYMENTS

When an owner makes a payment, the owner may request a receipt, and the association is required to provide it. On the receipt, the association must indicate the date of payment and the person who received it. The association must inform owners of a mailing address for overnight payments. (Section 5655 of the Civil Code)

An owner may, but is not obligated to, pay under protest any disputed charge or sum levied by the association, including, but not limited to, an assessment, fine, penalty, late fee, collection cost, or monetary penalty imposed as a disciplinary measure, and by so doing, specifically reserve the right to contest the disputed charge or sum in court or otherwise.

An owner may dispute an assessment debt by submitting a written request for dispute resolution to the association as set forth in Article 2 (commencing with Section 5900) of Chapter 10 of Part 5 of Division 4 of the Civil Code. In addition, an association may not initiate a foreclosure without participating in alternative dispute resolution with a neutral third party as set forth in Article 3 (commencing with Section 5925) of Chapter 10 of Part 5 of Division 4 of the Civil Code, if so requested by the owner. Binding arbitration shall not be available if the association intends to initiate a judicial foreclosure.

An owner is not liable for charges, interest, and costs of collection, if it is established that the assessment was paid properly on time. (Section 5685 of the Civil Code)

MEETINGS AND PAYMENT PLANS

An owner of a separate interest that is not a time-share interest may request the association to consider a payment plan to satisfy a delinquent assessment. The association must inform owners of the standards for payment plans, if any exists. (Section 5665 of the Civil Code)

The board must meet with an owner who makes a proper written request for a meeting to discuss a payment plan when the owner has received a notice of a delinquent assessment. These payment plans must conform with the payment plan standards of the association, if they exist. (Section 5665 of the Civil Code) (b) An association distributing the notice required by this section to an owner of an interest that is described in Section 11212 of the Business and Professions Code that is not otherwise exempt from this section pursuant to subdivision (a) of Section 11211.7 of the Business and Professions Code may delete from the notice described in subdivision (a) the portion regarding meetings and payment plans.

SPRING VALLEY LAKE ASSOCIATION ALTERNATIVE DISPUTE RESOLUTION SUMMARY

California *Civil Code* Sections 5925 through 5965 require community associations and their homeowners to offer to participate in some form of Alternative Dispute Resolution ("ADR") prior to initiating certain types of lawsuits in superior court. ADR means mediation, arbitration, conciliation, or other non-judicial procedure that involves a neutral party in the decision making process. ADR may either be binding or non-binding, as may be agreed to by the parties. This Summary of the ADR statutes is being distributed as required by California *Civil Code* Section 5960.

I. When ADR Must be Offered Prior to Initiating Enforcement Action:

An association or an owner may not file certain lawsuits in superior court unless an effort has been made to submit the dispute to ADR as required by law. Generally, ADR must be offered before filing a civil action or proceeding that seeks:

- A. A judicial declaration of the rights and responsibilities of the parties, only; or
- B. A writ of mandate or a writ of prohibition, only; or
- C. Permanent injunctive relief only; or
- D. Declaratory relief, writ relief, or injunctive relief, combined with a claim for monetary damages of five thousand dollars or less

It is not necessary to offer ADR prior to filing any other type of superior court action, or prior to filing any type of small claims action. Except as otherwise provided by law, the ADR requirement does **not** apply to an assessment dispute.

II. Compliance Procedures:

The ADR process is initiated by one party serving all other parties with a "Request for Resolution," which shall include:

- A. A brief description of the dispute between the parties;
- B. A request for ADR;
- C. When directed to an owner, the request must be accompanied by a copy of the ADR statutes:
- D. Service of the Request must be by personal delivery, first-class mail, express mail, facsimile transmission, or other means reasonably calculated to provide the intended recipient actual notice of the Request:
- E. A notice to all parties that they are required to respond within 30 days of receipt, or else the offer of ADR is deemed rejected; and
- F. If the Request is accepted, ADR must be completed within 90 days of the receipt of the acceptance, unless the parties sign a written agreement extending the completion date.

The cost of ADR is to be borne by the parties. Unless the parties agree, no oral or written evidence or statements made in an ADR proceeding, other than arbitration, are admissible as evidence in a later lawsuit. Each homeowner should consult with his or her own attorney regarding appropriate compliance with the ADR statutes.

III. Failure to Participate in Some Form of ADR Prior to Enforcement Action:

Should a party unreasonably refuse to participate in ADR before the lawsuit is filed, the court may, in its discretion, take this refusal into consideration in determining the amount of attorneys' fees and costs ultimately awarded at trial. In accordance with the disclosure requirement of California *Civil Code* Section 5965, please be advised that:

"Failure of a member of the Association to comply with the alternative dispute resolution requirements of Section 5930 of the Civil Code may result in the loss of your right to sue the association or another member of the association regarding enforcement of the governing documents or the applicable law"

IV. <u>Association's Policy of Early Dispute Resolution</u>:

In accordance with the California *Civil Code*, a fair, reasonable, and expeditious procedure exists for resolving disputes between the Association and an owner involving their rights, duties or liabilities under the Davis-Stirling Common Interest Development Act, the Nonprofit Mutual Benefit Corporation Law, or the Association's governing documents. The procedure supplements, but does not replace the ADR process summarized above. The procedure follows:

- A. Either party may request the other, in writing, to meet and confer. While a homeowner may refuse a request to meet and confer, the Association may not.
- B. The Board shall designate a member of the Board to meet and confer with the owner.
- C. The parties shall meet promptly at a mutually convenient time and place to explain their positions and confer in good faith in an effort to resolve the dispute.
- D. A resolution of the dispute shall be memorialized in writing and signed by the parties.
- E. An agreement reached using this procedure binds the parties and is judicially enforceable if it is not in conflict with law or the governing documents and the agreement is either consistent with the authority granted by the Board of Directors to the Board member who met with the owner, or if the agreement is ratified by the Board.
- F. An owner may not be charged a fee to participate in the process.
