Our 4th Annual Summer Kick Off took place on Saturday June 6, 2015. The weather was beautiful with blue skies and lots of sun. We had over 10 teams participate in the sand eastle building contest and the judges were very impressed with the building that took place. Tug a war was not only big hit among the little ones but with the adults as well, we had a large turnout of participants for both age groups. Finally the Obstacle Course was the grand finale of the day and we had approximately 40 children take place in the activity and they all were well out of breath at the end of the course. There was a 1st, 2nd, \$ 3rd place winner for both the sand eastle contests and the obstacle course.

While all these activities were taking place, many were taking advantage of the delicious BBQ that was being cooked up at East Beach, which consisted of hamburgers, hotdogs, chips, soda and been

It was a great day to have some fun in the sun and we thank all those who came out and joined us. We hope to see you all at the remainder of the summer activities.

Concent at the Beach

Friday night, June 12th, 2015, was a very exciting evening for Spring Yalley Lake members. It marked the first concert at the beach after several years of not being able to hold them. A lot of work and preparation went into making this a great night and a great way to bring this event back to the community. The odds were in our favor except for on thing, the weather. The evening started out great with a large number of people setting up post with their lawn chairs and blankets. There were 3 different vendors who came out to provide their delicious goods and merchandise. The Rob Staley Band got up on stage and began yet another wonderful performance for Spring Yalley Lake and then it began. At approximately 7:15pm we began to feel rain drops falling one by one and then they rapidly began to fall heavily. The band quickly covered their equipment and took a break to see if the rain would pass quickly. Unfortunately the weather forecast caused for an interruption in the evening and ultimately led to the night coming to an end early Apart from the weather it was a great evening. We are looking forward to doing more concerts at the beach in the future and we will keep our fingers crossed for no more surprises in the weather.
