SVLA Newsletter

We hope you all are having a great start to 2023! Read on to see what has been going on in the Spring Valley Lake (SVL) community.

Coving Repairs Update

An Executive Board meeting took place on Thursday, January 5, 2023, 6:00 PM via ZOOM.

The Board of Directors have approved and will finalize contracts with Victorville Concrete for work on 17 lots, and LPC Inc. for work on Fishing Area #7 and 3 lots. The work should be completed approximately 45 days after approval. It will take approximately 90 days to fill our lake back to normal.

SVLA's maintenance team will be completing coving work on approximately 20 lots. Unforeseen weather may postpone the estimated completion date. The coving repair project will have an estimated total cost of \$746,000. We will send out more information as it becomes available.

Discount on Concrete

Hi-Grade Materials Co. is offering special pricing on concrete to all SVL waterfront residents.

If you would like to have work done to your boat ramp or dock, now is the time to do so! Any resident that wishes to make changes to their property must submit an architectural application. Applications are being reviewed weekly to ensure we get projects approved quickly. Architectural applications are located in the Association Office and at www.svla.com.

Intent to run

It's that time of the year again... the community gets to elect three directors for the SVL Board! Intent to Run forms are available to download at www.svla.com and at the Association Office. The deadline is Friday, February 10, 2023, by 3:00 PM.

Catalytic Converters: A Message from the Public Safety Department

California leads the nation in the number of Catalytic Converter thefts. Please be vigilant. If you see suspicious activity, or hear unusual sawing or grinding sounds, please report it to the San Bernardino County Sheriff Department at 760-956-5001 and the Public Safety Department at 760-245-6400.

General Manager's advisory group

Knowing the importance of having community input, our General Manager is looking to create an advisory group made up of residents with a planning/financial background. The selected advisory group of members will be helping to strategize, document and complete

a recommendation that will be submitted to the elected 7-member Board of Directors to review and come to a final agreement on the community's five-year plan. Meetings would be approximately every two weeks for 1-2 hours. If you are interested in serving on this GM advisory group, please e-mail alogan@svla.com.

Upcoming Events

The 2023 Masquerade Ball is set to take place on Saturday, **February 11, 2023**, from 5:30 PM to 9:30 PM at the Community Center. Catered dinner, Formal Attire, Music by DJ Day Dream... Need we say more? Tickets are now on sale at svla.com, under "Event Registration". The deadline is Monday, February 6, 2023 @ 6:00 PM. Bring your own masquerade mask. Member cards and guest IDs are required.

Christmas Tree Disposal

Residents may deposit their trees in the dumpsters located in the SVLA parking lot, located at 13325 Spring Valley Parkway, until January 16th. Please place trees inside the dumpsters and NOT on the side of them.

Event Committee

The term of service for committees starts June 1st and ends May 31st of every year. However, we are accepting applications for the Event Committee year-round!!! This group of volunteers are for those who are interested in bringing fun to the community. Our team helps with events like dinner dances, Kids Halloween Party, Christmas Tree Lighting, and Breakfast with Santa... just to name a few! Our events are a great way for you to meet other SVL residents.

Want to get involved? Applications are located at the Association Office and at www.svla.com (Select the Association tab and choose "Document Center" from the dropdown menu).

Did you know...

Construction for the lake began in June 1969.

... Well now you DO!
