SVLA BOARD PRESIDENT

AMY STANTON

Make the most of your summer in Spring Valley Lake:

- Play under the fountain at the beach.
- Fish at the fishing areas.
- Bounce around at the Family Festival.
- Run the Heritage Bam Jams.
- Climb and slide at the playground areas.
- Shoot hoops on the basketball courts.
- Exercise on the Heritage fitness equipment at the fishing areas.
- Dance at the summer concerts.
- Chill at the Family Luau.

The fun at Spring Valley Lake continues in the fall with the Hoedown at the Equestrian Center and the Children's Halloween Party. Winter brings activities for all ages, including Breakfast with Santa, the Tree Lighting and Parade, and a Holiday Gala. After the New Year, there are dinner dances with various themes, the Easter Egg Hunt, the Family Camp Out, and the spectacular Fireworks display.

SVLA's Community Event Team provides fun and healthy activities for our community all year

long. As soon as one event is over, staff begins planning for the next event. Hours, days and weeks of preparation go into creating successful events. Volunteer power before and during our events make our events even better.

We want to make sure that we continue to put on events that the community enjoys. We are open to new ideas. We invite volunteers to become involved, share ideas and make suggestions for programs which will encourage our community to stay active year round.

If you are interested in helping plan events, or perhaps volunteering at an event, consider joining the Community Event Team. We have had some energetic volunteers over the years, but the team has dwindled down to a few loyal members. The SVLA Board and General Manager would like to build this team back up. Call the Association Office to find out how to join the Community Event Team.

In addition to the Association-sponsored events, there are many fun events put on by SVLA Clubs that are open to the whole community. You don't have to go far for fun when you live in Spring Valley Lake.

GET INVOLVED!

What does the Community Plan Committee Do?

The Community Plan Committee is a volunteer group of SVLA members, appointed by the Board of Directors, who function as a focal point for evaluating the challenges facing the Association and its members and for developing strategies and means by which those challenges can be met. The Committee presents their recommendations, in the form of "goals" and/or "objectives", to the Board of Directors.

Spring Valley Lake Country Club
13229 Spring Valley Parkway | Victorville, CA 92395

A large, vibrant firework exploding in the night sky, with smaller fireworks visible below it. The main firework is a large, spherical burst of red, white, and blue streaks. Below it, several smaller fireworks are exploding, showing green, yellow, and red colors. The background is a dark, clear night sky.

This month, I want to thank all our staff for their hard work, especially during the fireworks event. A lot of work went into the behind-the-scenes preparation of this event. Our maintenance department kept the area clean and did a great job responding to a large water leak and the other unexpected tasks that came up. Our Public Safety Department kept our amenities safe and ensured the event was for the exclusive enjoyment of our members and their guests. Our administration

The new budget is right around the corner. I would like to see more residents getting involved in the process. If you have experience with large budgets and want to be involved with the Budget Committee, please fill out an application form. (Please call, or stop by, the Association office for more information.) Some of our residents have already suggested some great ideas regarding capital improvements. We are also looking at the health of our lake and the other amenities that we have here in SVLA. Please be sure to check your e-mail for updates on the upcoming budget meetings.

Welcome New Committee Members

At the June meeting the Equestrian Estates Committee welcomed two new members and seven returning members. We are looking forward to another wonderful and progressive year.

Meetings are held every 3rd Tuesday of the month at the E.E. Clubhouse located on Indian River Dr. at 6.00pm and are open to all SVLA members and residents.

Neighborhood Watch Needs Residents

Our community is seeking residents within the Equestrian Estates area that are interested in the building the neighborhood watch group. Information is available during the monthly committee meetings. Help keep your neighborhood safe and be in the know. Download the Apple Valley Watch App Free.

The Facilities

Before the Equestrian Center was purchased and taken over by the Spring Valley Lake Association it was a family owned breeding farm dating back to the 1970's. It was recognized as one of Apple Valleys earlier show grounds that held many events and competitions to local equestrians.

Today the Equestrian Center is home to roughly 21 horses of various breeds. Although it has not been used in many years as a show ground for competitions, it is still used and enjoyed every day by our SVL resident boarders and their horses.

Due to the age of the facility we are looking forward to some much needed upgrades in the coming year like the gazebo replacement project, restroom updates and a fresh coat of paint for th barn and outbuildings.

The Committee is also working on a plan to have trees planted throughout the facility over a period of three years. These trees would provide essential shade in areas that accommodate horses and facility guests. Our goal in planting these trees goes beyond shade and cooling purposes, but will add aesthetic value to the facility.

Barn Etiquette

Recently concerns have arose regarding visitors at the barn that have not conducted them-

selves in a respectful manner and ignoring some of the appropriate courtesies. Please keep in mind these animals are very important to us, just as any other family pet, and their safety as well as safety of visitors is priority.

The barn is their home and a place they should be safe and feel comfortable. So please be respectful and mindful when visiting.

Dogs are welcome at the barn but they **MUST** be on a leash. If you have a dog that isn't well behaved on a leash its probably best that you don't bring it with you on your visit. It isn't uncommon for a horse to encounter a dog but horses are prey animals and can respond in fear especially if they have been attacked by a dog before.

Horses are delicate animals, contrary to the belief. Spooking or trying to excite the animal so it will run around can result in serious damage and should only be done by the owner. It is sometimes impossible to know just by looking at a horse if it is injured or not. Currently there are two horses in the barn that are recovering from an injury. It is vital that those horses under go a very strict rehabilitation process and be allowed to rest quietly. Please do not throw things at them. The barn is not a place to scream and yell at the top of your lungs. Not only is it disruptive but it might falsely alert someone of an emergency.

Most horses love children. Although horses are very gentle creatures some can be quite moody. Please do not let your children climb on stall railing or fences or tease the animals. There is a playground located closely by that is a good place to let your child run free, climb and get out

energy. The barn is not that place.

Do not feed any of the horses unless given permission by the owner. Horses with diet restrictions may have signs on their doors indicating "No Treats Please". Some horses may or may not have warning labels like "Bite Warning". These are all things to be aware of before you approach any of the horses to pet.

Be very careful when feeding a horse that your fingers don't become part of the meal. Look out for horses who's ears are pinned back as that is a sign they are unhappy.

Remember to give horses and handlers space if they are exercising or grooming their horse and always ask for permission to approach the animal. Never honk at a horse if you wish attention of the handler.

We appreciate that when you do come to visit or if you reside here that you ALWAYS drive slowly on any of the streets here. Horses are frequently ridden throughout the community. Be aware of horse crossings or trail ends that force riders to use the roadway. Bridle Trails are not shortcuts or rally ways for vehicles. Violators are subject to large fines.

We understand sometimes things happen that are out of our control but the more we all do to be aware of our surroundings and behavior the better. We hope these tips can help everyone have a more enjoyable experience while at the barn. Please feel free to ask questions when you have them. Most are happy to share information.

Thank you for your consideration
and compliance.

EQUESTRIAN ESTATES

Friendly Reminders

The Equestrian Estates Committee and Boarders would like to remind those who visit the barn to follow the basic guidelines of safety and proper behavior when around horses.

These are a few tips we have for when you decide to stop by for a visit.

- Please avoid startling or provoking the horses. Horses do not like loud or sudden movements and can easily injure themselves when startled.
- Please keep children from climbing the stall rails or running up and down aisle ways.
- Please to not bring unruly dogs that jump or bark at the horses. All dogs must be leashed.
- Watch for signs of a grumpy horse. Ears pinned back are a good indicator that the horse might want to be left alone. Never approach a horse from behind where you are at risk of being kicked.
- Give horses and handlers space when they are out of their stalls. Horses may be getting prepared for a work or receiving care of an injury.
- Feel free to ask questions. Boarders and Staff are very familiar with the animals and their routines. Most love to share their knowledge and love for horses with others. If you are unsure of something, just ask.
- Please be aware some horses have diet restrictions, so do not feed a horse unless given permission by the owner.
- Remember to always have your association card or guest pass with you when you visit.
- Drive slowly throughout the Estates and be aware of horses and horse crossings. Do not drive on Bridle Trails.
- Always be courteous and enjoy!

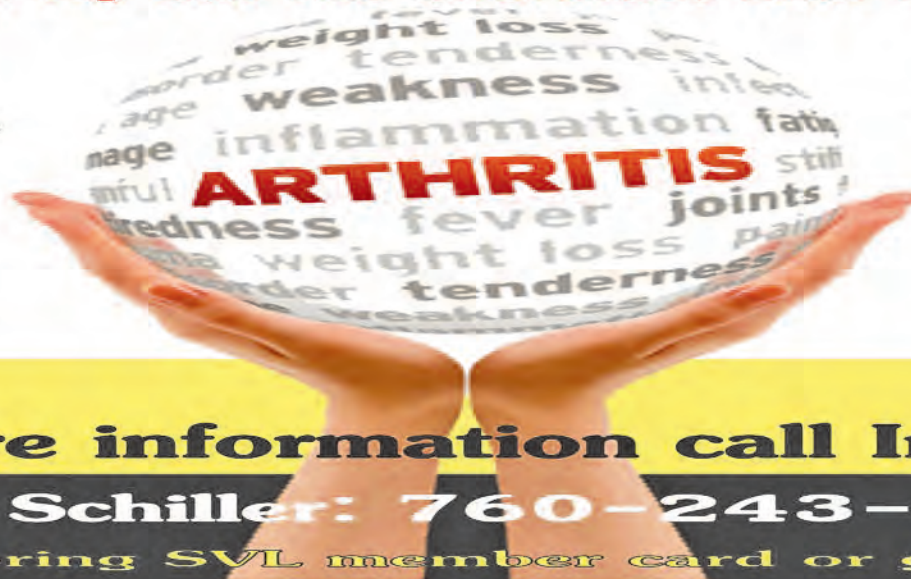

SVL Arthritis Exercise Weekly Classes: Tues & Thurs 8-9 am

Community Building, CB3

Come and try out the exercises that can help!

Class teaches methods to ease pain caused by arthritis in fingers, hands, wrist, neck, spine, feet and other joints.

Exercises help prevent stiffness, deformity and improve your range of motion.

For more information call Instructor

Dottie Schiller: 760-243-4697

Please bring SVL member card or guest pass

LISA HARTLEY, PUBLIC SAFETY DIRECTOR

Symptoms

Heat-related illnesses are progressive conditions caused by overexposure to heat. If recognized in the early stages, heat-related emergencies usually can be reversed. If not recognized early, they may progress to heat stroke, a life-threatening condition. There are three types of heat-related illnesses, which form a continuum progressing from one to the next:

- Heat cramps are painful muscle spasms that usually occur in the legs and abdomen. Heat cramps are the least severe of the heat-related emergencies.

- Heat exhaustion is an early indicator that the body's cooling system is becoming overwhelmed. Signs and symptoms of heat exhaustion include:

- Cool, moist, pale, ashen or flushed skin
- Headache, nausea and dizziness
- Weakness and exhaustion
- Heavy sweating

- Heat stroke occurs when the body's systems are overwhelmed by heat, causing them to stop functioning. Heat stroke is a life-threatening condition. Signs and symptoms of heat stroke include:

- Changes in LOC
- Skin that is hot to the touch
- Skin that is wet or dry or appears red or pale
- Vision disturbances
- Seizures
- Vomiting
- Rapid and shallow breathing
- Rapid and weak pulse
- Lack of sweating

Treatment

Take the following steps to care for someone suffering from a heat-related illness:

- Move the victim to a cool place.
- Loosen tight clothing.
- Remove perspiration-soaked clothing.
- Cool the victim by spraying them with cool water or applying cool, wet towels to the skin.
- Fan the victim.
- Encourage the victim to drink

small amounts of a commercial sports drink, coconut water or milk, if the victim is conscious and able to swallow. Give water if none of these drinks are available.

If the victim refuses water or vomits, or has a mental status change, vision disturbance or a seizure:

- Send someone to summon EMS personnel immediately.
- Take steps to rapidly cool the victim as soon as possible by any means available.
- Preferably immerse the vic-

tim up to their neck in cold water, if safe to do so.

- Alternatively, place ice-water-soaked towels over the person's entire body, rotating towels frequently.
- If bags of ice are available, place them on the victim's body, over the towels.
- If you are not able to measure and monitor the victim's temperature, apply rapid cooling methods for 20 minutes or until the victim's condition improves or EMS personnel arrive. Give care as needed for other conditions that you find.

CALL (760) 508-6594

We hope everyone enjoyed the family festival and spectacular fireworks this year. It seems that a good time was had by all.

It just boggles one's mind how each week these poor trash containers get left in the street, on the driveways, behind bushes, and on the side of the garage. It would behoove our members to put it behind a gate, inside the garage, or behind the house. It would be a shame to get a notice for those trash cans left out.

We are still inspecting Palm trees; so if you have not had yours trimmed, now would still be a good time to have your gardener or a tree contractor trim the dead fronds. We have also noticed a lot of dead trees. Come in and fill out the Architectural Application before you have them removed.

We hear all the time that residents do not know the rules. All new homeowners should have been given our governing documents. If not, you can access them on our website at www.svla.com. Here are a few of the important ones:

1. Easy Ups are not allowed on your docks, or front yards. They can be put up on your patios and backyards from April 1 to No-

vember 1.

2. **ANY** modification to your house or yard **MUST** have the approval of the Architectural Committee. You need to submit a Project Application in the office. Failure to do so will result in a \$1,000 fine.

3. No weeds are allowed. Many people are spraying their weeds and just leaving them. This is a good beginning, but you must get rid of the weeds once they have died.

4. All hedges and bushes are to be trimmed back inside the curb. Also, make sure they are not blocking the view of oncoming traffic.

5. Even though your yard may be yellow, brown, or dead, we still expect you to maintain it and keep it looking in good shape. Believe it or not, just trimming the bushes and mowing the weeds down helps to keep it looking so much better. Do not let the weeds take over. If you allow your yard to turn to dirt, then you must landscape it one way or another.

6. All sheds **MUST** have approval by the Architectural Committee.

7. Commercial Vehicles of any kind are not allowed to park in the driveways...period.

8. Trash cans cannot be visible from Wednesday morning until Sunday morning. Code will issue notices during that time.

9. Vehicles are not allowed to park on the landscaping for any reason.

For a complete list of rules and how to do things, visit our website at www.svla.com, and become informed.

Remember, Code inspecting is a legal process and does not

happen overnight. It takes time to get some of the violations cleared and taken care of. You can always call us and express your concerns.

Have a Great Month!

- CODE ENFORCEMENT TEAM

There is no question... These gals are the "best of the best" at SVL Women's Golf. From left, Joanne Gill, Senior Women's Golf Champion. Vickie Cohen, 1st Runner Up to Women's Club Championship. Od Stoner, 5th time Women's Club Championship winner. Kathy Lee, Net Championship winner. Ruth Sarris, Net Senior Champion winner. A Great Showing for the 2018 Club Championship tournament.

SVL Members New Production Group

Story by Jeri Lawrence

Spring Valley Lake Member, Stephanie Brynjolfson, has teamed up with SVL Country Club server, Sheila Fares, and started their own production company, "STAGE CRAFTERS PRODUCTIONS". We attended their first stage play at the High Desert Center for the Arts, Victorville. "The Prisoner of Second Avenue" was very

entertaining. Their next play "A Christmas Story" will premiere on November 16th – December 2nd at the High Desert Center for the Arts. Supporting our local members is such a positive move and it would be great to see many more members attend these productions. For more information, visit stagecraftersproductions.com.

Planning Committee

by Jeri Lawrence

We would like to welcome Dee Dee Garcia as the Planning Committee Board Liaison. So far, the committee will continue to meet on the third Thursday of each month in the Parkview Room at 4:00 p.m.

The Primrose Room is cleared out now and we did a walk "in" to size the space for comfy chairs, a table with chairs, a coffee center and maybe an end table or two. There is a budget for these upgrades, so after making committee suggestions as to design and

colors, we turned the plans over to Dennis Teece. When the room is complete, an announcement will be made and we can hold an open house event.

We are on track with plans for the Community Health and Information Event planned for October 20. The Directors and staff are implementing a new form for these types of events---SVLA Committee & Club Event Request. We can move forward after that request is completed. Stay tuned. 💎

VICTORVILLE CITY LIBRARY 2018 SUMMER READING PROGRAM

***READING TAKES YOU EVERYWHERE:** Books, Prizes, Performances

*For Children (0 - 12) Teens (13 - 17) and Adults (18 and up).

*Registration begins **June 4th**. Children must be present to register.

*Reading logs will be accepted starting **June 9th**.

Performances start June 14th.

Fishing Club NEWS

by Jeri Lawrence

The Social & Fishing Club, Golf, Pizza and Beer and a beautiful day. How can you beat that? Most of our events are held right here in Spring Valley Lake; so you can't go wrong in joining the club and start having fun! Call Carol Grace, club Treasurer, at 760 243-8014 and get your membership started. The winners of the Annual golf Tournament are: Low Net, Ness & Vickie Cohen

and Dennis & Carole Yule with a 56.7. 2nd Low Net are Tome Eide, Marilyn Smith, Linda Elliott and Mark Sedam. In the gross competition were 2nd Gross Lonnie & Marcia Keeter and Dan & Lori Whitmer. And the best of the best was won by Mike & Joanne Gill, Dan Frelich and Anita Spoonhunter. Congratulations to all the winners.

PROJECTS AROUND THE COMMUNITY

Equestrian Estates

- Set up 6 events at the EQ during this past month.
- Normal boarding stall duties as scheduled.
- We are currently boarding 20 horses
- All arenas have daily dragging as scheduled.
- Started getting ready to replace the gazebo with new shade structures and horse sculpture. We will be removing old juniper bushes and planting some new shade trees along with concrete flat work.
- Removed large junipers at the EQ, and removed the stumps.
- Continued dragging and weed abatement on trails as needed.
- The 14 gate on the bridal trail off Reata, as requested by SCE for their easement access, was moved on our schedule to this month. We have installed it and SCE has placed their own lock on it for access.

Proposed completed area (above) Current Progress (below)

Buildings

- Regular and emergency work orders performed throughout the SVLA buildings.
- The media lounge room is ready for the Planning committee to work on interior layout and designs. We are working on getting the auto ADA doors for the main entrance and great hall door.
- Auction is complete, success as we increased our page likes and dealt with the complications with having the auction on Facebook. The old vehicles were sold for a

Grounds

- Regular work order performed at grounds, restrooms, etc., as required.
- Added pressure regulators to repair the drinking fountains at Fishing areas 4,6 and 10.
- MLP Project phase 1 on schedule, the following items are installed at the off leash area:
 - > New wrought iron fencing and footings
 - > Concrete pads for picnic tables and shade structures
 - > Irrigation
 - > Wrought iron gates
- Ball field
 - > 150,000 sq. feet is graded

total of \$11,300, including a parts only car as 1 of the impalas had a bad engine.

- We have moved the event storage items over to their new home and will now be working on cleaning up the new member lounge, installing new doors.
- We have installed new LED lights on our building, low wattage and warm color to update the old incandescent globes were placed around the building.

- > Infield is cut and graded
 - > 1 tree removed
 - > Irrigation block wall enclosure
- Some of items still to be completed
- > Ball field irrigation
 - > Ball field construction
 - > Walking path
 - > Flat work
 - > Cypress tree
 - > Shade trees
 - > 6 more shade structures
 - > Exercise station area
 - > ADA parking revision
 - > Hydro seed
 - Removing broken branches.
 - Replaced and repaired 2 area lights at the beach.

Lake and Fishing Areas

Marina/Lake

- We have done a lot of sampling and testing and also looked into treating the lake to kill off the brown algae. We have sent in samples for another algae cell count to determine if the bloom is increasing, decreasing or holding. Based on secchi disk reading, we are up to 1.4' of clarity, when before, the Alum treatment and

the bloom had a full load of nutrient rich water (ultraeutrophic) we were reading less than 1' of clarity; meaning the algae was more dense. Our last water sampling shows that our nutrient load is holding at a historical lower level. Here are the latest results from our last water sampling showing the nutrient loads are holding at the lower level.

Nutrient Level		
Date	Nitrate	Phosphorous
Before Alum 3/18	.39mg/L	.16mg/L
After Alum 4/26	ND	.071mg/L
After Alum 5/11	<.02mg/L	.025mg/L
SVL Lake 6/13	<.02mg/L	.029mg/L
SVL Lake 6/25	<.02mg/L	.017mg/L

FAMILY FESTIVAL & FIREWORK SHOW 2018

Our 13th Annual Family Festival & Firework Show was on Saturday, June 30, 2018 and we could not have asked for a better day. Everything went great and we were even blessed with cooler temperatures than previous years. We had approximately 400 people in attendance at the Family Festival and everyone took part in all the festivities. It was a great event and we thank everyone who came out and enjoyed the fun!!

Did your last annual physical include a hearing assessment?

Doctors recommend that individuals over the age of 50 have their hearing tested annually. Early detection can reduce the impact of hearing loss on your overall health.

Beltone is offering **FREE Hearing Consultations**

If you find yourself...

- Frequently asking people to repeat themselves
- Having trouble hearing in noisy places, like restaurants
- Turning the TV volume up too high for others in the room
- Having difficulty with phone conversations

You may have a hearing loss.
Only a hearing screening can tell you for sure.

Call 1-760-956-9780 for an appointment

At Beltone, you always get more:
More benefits. More support. More guarantees.

LEADERSHIP 2018

A PROGRAM OF THE VICTOR VALLEY CHAMBER OF COMMERCE

Two More SVL Employees Complete Leadership Victor Valley! Congratulations Jeaneen and Josh...

Leadership Victor Valley is a program that was founded by the Victor Valley Chamber of Commerce in 1995. The program was developed to shape community minded business and civic leaders. It is an interactive program that provides various courses that give a scope of issues that impact our region's economic prosperity and quality of life while simultaneously refining an individuals skills to better serve in leadership roles.

The program began in January 2018 and extended through June 2018. The course consisted of 10 classes with each class focused on a different topic.

Jeaneen Beam Director of Administration & HR

Joshua Ortiz- Public Safety Sergeant

It has proven to be a beneficial program with a lot of useful information.

We are proud to have two additional SVL employees complete this course.

Congratulations to Jeaneen Beam, our Director of Administration & HR and Joshua Ortiz a Sergeant in our Public Safety Department for completing the program.

We thank you for your dedication and leadership in our community.

Congratulations!

Concert at the Beach

June 15, 2018

Our second concert of the summer was on June 15, 2018. The weather was not working in our favor as it was quite windy, but we still had a nice crowd. Wayne and the Wanderers delivered an incredibly fun show. We are thankful to all those who braved the windy weather to enjoy the evening with us. We hope to see you all at the next concert on July 20, 2018.
