Serving The High Desert & Big Bear California

SVLA BOARD PRESIDENT TIM CRAIG

Hopefully you have all heard about the event that is scheduled at the Country Club this month. The Bear Valley Country Club is holding an open house inviting Homeowners and Associate members to visit this Sunday October 6th (at the time of this writing, the event has not yet occurred).

Not only is there a great time scheduled, but in fact, those attending will be able to avail themselves of redemption of "social member for a day" invite that would give interested parties a free social membership for a day, allowing limited use of the various amenities of the Club.

This is an additional effort by Larry Taylor and the folks at Steele Canyon to give our members a tour of the club and an opportunity to sample some of the "Country Club life" that has always been a key attraction to living in Spring Valley Lake.

When this community was still in its planning phase, the two key ingredients that Boise Cascade desired to make it successful was the creation of our Lake and the establishment of a top-notch club and golf-course. Through the efforts of Larry and Steele Canyon, the course has been revitalized as well as the clubhouse and Larry felt it was important to invite the community in to see the im-

provements.

Although the Club is not owned by Spring Valley Lake Association, we all recognize the importance of having a successful Club and the beautifully manicured golf course that it maintains.

As the number of people attending the open house is to be capped at 400 (through your RSVP to the event), this is only the first of many open houses that will be held, affording everyone who is interested an opportunity to take a look for themselves.

The event on October 6th will include:

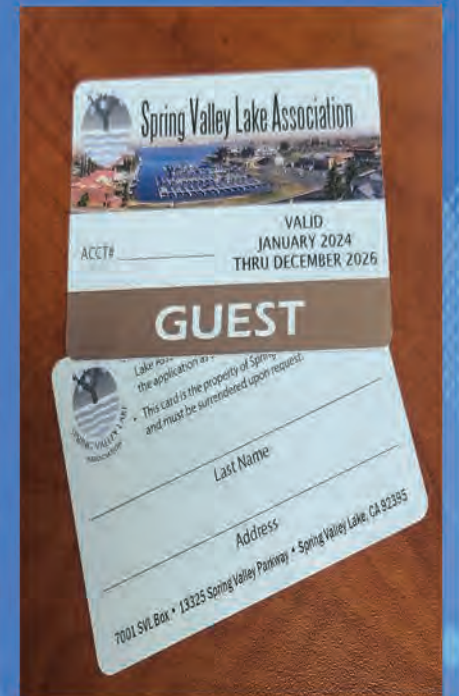

- Free BBQ lunch of hot dogs and hamburgers

And free use of the following amenities:

- Golf (cart extra)
- Driving range
- Pool
- Exercise Center
- Sauna
- Jacuzzi
- Cornhole
- Ping-Pong
- Tennis Courts
- Pickleball Courts
- Racquetball Court

If you did not get a chance to come out and take a look, as mentioned earlier, the future open houses will provide those in attendance an opportunity to be a "social member for a day". I hope to see many of you there!

~ Nick Gonzalez, Director of Operations

Hello SVLA Residents,

As October unfolds and autumn settles in, we hope you've enjoyed a fantastic summer here in Spring Valley Lake. With the crisp air and vibrant foliage, this month offers a wonderful opportunity to embrace the changing seasons and continue enjoying the outdoor activities that make our community so special. October is a time for celebration and reflection. The beautiful scenery around our trails and the lake is perfect for exploring as we savor the essence of fall. We invite you to join in on the exciting events we have planned this month.

Beach Area:

- Replaced damaged trash cans
- Cut branches in park area
- Irrigation repairs parking area
- Beach area tree trimming
- Graffiti beach clean-up
- Unclogged drains

Parks:

- Began Xeriscape at Meadowlark park 2nd phase
- Signage Replacement for Playfair park
- Multiple line breaks - Long Acres and Playfair team will add pressure regulator to Long Acres

Equestrian Center:

- Continue monitoring rodent control at Long Acres park. Current traps are humane traps.

- Requested EQ Trail clean up by the bridges
- EQ signage replacement
- EQ bridges have been inspected.
- EQ gates repaired
- FA 8 restroom repairs completed
- EQ stall railing re-secured

Fishing Areas:

- Removed aerator lids to the primary in closure
- Shorelines clean up on Mondays and Fridays
- Replace electrical box fishing area 2

Buildings:

- Fire extinguisher inspection
- Mini split leak repaired in kitchen of the Community Center

Grounds:

- Irrigation repairs and adjustment on all common areas
- Replaced beach area damaged trash containers

Wells:

- #5, #14, and #16 are the only wells that are active now

Lake Filtration Systems:

- Cleaning has been put on hold until the plan is approved by County
- Aerator Repair completed all functional
- An Aerators extractor installed

on Fishing area 2

Lake & Marina Dock Maintenance:

- Bi-weekly lake data.
- New buoy placement map created
- Buoy adjustments every Monday and Friday
- New numbers were added on buoys
- Buoy adjustments for the entire lake perimeter and main body are conducted once per week
- Lake debris removal is scheduled for every Monday and Friday
- Installed five artificial sub-

strates to monitor quagga and zebra mussels, with inspections conducted bi-weekly

- V-Ditches are scheduled bi-weekly for maintenance

The Operations Department is always working diligently on maintaining SVLA's stature as well as keeping up on regular training videos to ensure we are delivering the best service possible. If you ever notice a maintenance related issue or concern around the community, please call the Association Office (@760-245-9756) and we will do our due diligence to correct the issue(s) or concerns.

Happy October! As we embrace the beauty of autumn, activity around the lake continues to thrive. With the season changing, we remain dedicated to lake care. This month, we're continuing our enhanced cleaning efforts three times a week, along with daily clean-ups to keep our waters clear. We're also ramping up lake sampling and ongoing monitoring for Harmful Algae Blooms (HAB) to ensure the safety and well-being of our community as we move into the fall season.

The LPO permit has finally been approved, and we are currently finalizing the fees.

We have been doing bi-weekly inspections on the v-ditches throughout the community. We are hoping to be able to stay on top of these and keep them clear of debris. If you live near a v-ditch and you notice excessive debris, please do not hesitate to let us know so we can address it right away.

We have been doing our best to continue with the lake clean up weekly. If you notice any areas with excessive trash or debris, it is always helpful to let us know. Give the office a call or send an email to maintenance@svla.com.

Check out the most recent lake data that has been gathered.

CODE ENFORCEMENT

Clint Summers, Director of Code Enforcement / Architectural

October is here, and you know what that means! It's time to bust out the spooky, scary skeletons because it's officially time to decorate for fall and Halloween in Spring Valley Lake. Residents are encouraged to be creative and conjure up all kinds of decorations, but anything with profanity or crude language will not be permitted. Code Enforcement department employees want to remind residents that as much as we love our friends from the other side, all seasonal Halloween decorations must be removed 30 days after Halloween.

Annual inspections are still underway, and Code Enforcement officers will be checking for violations on the front and back side of properties residing on the lake, golf course, riverwalk and equestrian side. Weeds and yellowing grass are common violations spotted as the weather cools down, so pay extra close attention to your landscaping. As a reminder, Code Enforcement officers are enforcing parking violations in the Equestrian Center. Parking is only allowed on approved surfaces so parking on rocks or dirt is not allowed. Residents are allowed to have up to two vehicles parked in their backyard.

Cooler weather also provides ample opportunities to begin any exterior projects that were not ideal to begin during the summer months.

Please remember architectural applications must be submitted and approved before any changes are made to the residence. Any painting projects are highly recommended to start before it gets too cold as it can mess up your paint. Code Enforcement also recommends residents take a moment to check out their roof before the rainy season and make sure to submit an architectural application prior to any work being done. Architecture appointments can be made on the SVLA Living app, or residents can stop by the Community Center to ask the code officers any questions you may have.

The Code Enforcement team is reluctant to say that we have said goodbye to one of our teammates, Adan Arciniega. He was an employee for SVLA for almost two years and a vital part of the Code Enforcement department.

"I want to thank all the SVLA residents, my team and other association staff for making my time here so pleasant and for giving me the opportunity to grow."
~ Adan Arciniega

Thank you for all your hard work, Adan! You will be missed.

LISA FALCETTI, PUBLIC SAFETY DIRECTOR

Halloween Safety Guidelines for Spring Valley Lake

Halloween is one of the busiest nights in Spring Valley Lake, and we want to ensure everyone enjoys a safe and fun-filled evening. Please keep the following guidelines in mind for a spooky and secure Halloween.

Trick-or-Treating Hours

Trick-or-treating is permitted in the community from 6:00 p.m. to 8:00 p.m.

Safety First

Your safety is our top priority. Public Safety Officers, along with the California Highway Patrol, Fire Department, Citizens on Patrol (COP), and the Sheriff's Department, will be present throughout the evening

to assist with any concerns.

Walking Safety Tips

Please stay vigilant while walking the streets in the community. We recommend carrying a flashlight for visibility, and adding reflective tape to your child's costume is an excellent way to help drivers spot your family in the dark.

Driving Safety Tips

Drivers, please allow extra time to get in and out of the community. Be mindful of children walking on the streets, medians, and curbs. Reduce your speed and stay alert to ensure everyone's safety.

Thank you for your cooperation, and we wish you a safe and happy Halloween!

****Dog Rehabilitation: A Holistic Approach to Wellness****

When our furry friends face health challenges, dog rehabilitation can be a game changer! This gentle approach focuses on improving mobility and overall well-being. By integrating holistic therapies like acupuncture, massage, hydrotherapy, shockwave and laser therapy as well as custom strength workouts for your pet we can help our dogs heal naturally and feel their best. If we don't use it we lose it.

A many pets require rehabilitation following orthopedic surgeries or injuries from accidents. Older dogs, particularly those with arthritis, also benefit significantly from targeted exercises and therapies that enhance mobility and reduce pain. By focusing on individual needs, rehabilitation can help dogs regain their ability to walk, run, and play, greatly improving their quality of life.

Nutrition also plays a crucial role in a dog's rehabilitation and overall health. A balanced diet rich in essential nutrients supports joint health and reduces inflammation, which can help prevent conditions like arthritis. Supplements, such as omega-3 fatty acids, may further contribute to improved mobility and reduced discomfort.

Taking a holistic view of our pets'

health means addressing their physical, mental, and emotional needs. Regular rehabilitation sessions not only enhance their physical abilities but also strengthen the bond we share with them.

By prioritizing rehabilitation, nutrition and our pets' health we can empower our dogs to lead happier, healthier lives. So, let's celebrate their wellness journey and ensure they enjoy every wag and woof along the way! If you notice your dog struggling with mobility or recovering from an injury, consider reaching out to a veterinary professional to explore rehabilitation options tailored to their needs.
