Guidelines For Board Of Directors Elections

The Bylaws of the Spring Valley Lake Association and the State Corporations Code give wide latitude to the Board of Directors in establishing procedures for the conduct of elections.

In summary the Bylaws dictate that:

(a) The annual elections meeting be held on the last Saturday of each April.

(b) That four Board seats are up for election in even numbered years; three seats in odd numbered years.

(c) That members serve for two year terms and may only serve for two consecutive terms.

(d) That the only qualification for members of the Board is that they be voting members (property owners.)

The State Corporations Code, Section 7614, dictates that the Board appoint either one or three Inspectors of Election. Their duties are as follows: "The inspectors of election shall determine the number of membership outstanding and the voting power of each, the number represented at the meeting, the existence of a quorum, and the authenticity, validity and effect of proxies, receive votes, ballots or consents, hear and determine all challenges and questions in any way arising in connection with the right to vote, count and tabulate all votes or consents, determine when the polls shall close, determine the result and do such acts as may be proper to conduct the election or vote with fairness to all members."

In addition to the foregoing, the following guidelines will be used in Spring Valley Lake Association elections.

(a) In order to become a candidate for the Board, potential nominees

must submit a letter of intent to the Board of Directors. Letters of intent must reach the Association office by close of business on the business day nearest February 15th of each year.

(b) Approximately 7 to 10 days after the filing deadline the Board will sponsor a seminar for announced candidates. The seminar will include information on board responsibilities, legal liabilities, conflicts of interest, amount of time consumed by board membership, etc.

(c) Candidates may withdraw by furnishing written notice to Association offices. Candidates will be notified at the seminar of the approximate date which ballot materials will go to the printers. They will be encouraged to withdraw by that date if at all.

(d) Write-in candidates and nominations can be accepted from the floor once a quorum has been established.

(e) At its March meeting the Board of Directors will select as record date for the purpose of determining which persons are qualified members entitled to notice of the election meeting and those entitled to vote at the meeting.

(f) It is the Board of Directors policy that incumbent directors will be listed first on the Notice of Meeting and proxy. Subsequent candidates will be listed alphabetically in last name order.

Persons entitled to vote and persons entitled to serve on the Board of Directors are members as defined in the Covenants, Conditions and Restrictions of record as of the date of record chosen by the Board of Directors. A person serving on the Board of Directors shall remain a member of the Association as defined in

the CC&Rs during their entire term as a Board member in order to so serve. Prior to the election and before publication in the Breeze the Board shall require appropriate proof of a candidate's membership status in the Association. The Board of Directors decision as to whether such proof is adequate shall be binding and a failure of a candidate to satisfy the Board shall cause that person's name to be removed as a qualified candidate.

Notice of the meeting and election materials will be mailed out on or about the record date, to persons who are registered with the Association as members on the record date.

(g) Election materials will be prepared by the Administrator with Board approval and sent to the Association's general counsel for review prior to printing.

(h) A "Meet Your Candidates Forum" will be held prior to each election. Normally, the forum will be held in early April of each year. A moderator will be selected by the Board to conduct the Forum. The moderator, subject to reasonable review by the Board of Directors, will, however, provide information to all candidates alike as to the format and questions to be used. If any current members of the Board of Directors are candidates they will abstain from the review.

(i) Each candidate will be provided with an opportunity to present a campaign statement of up to 350 words to be published in the April Breeze. A recent photograph approximately 2" x 3" will also be accepted for Breeze publication.

(j) Candidates and/or their supporters may advertise in the Breeze at the normal Breeze advertising rates and subject

to normal Breeze advertising deadlines. At least one property owner's name must appear as the ad's sponsor. The ads will not be a source of attack against a fellow candidate or member of the Spring Valley Lake Association.

(k) Candidates or their supporters may not utilize the Breeze Letters to the Board at any time. No article will be used to support any particular announced Board candidate. The President will monitor to ensure that this does not happen, especially during the March and April editions of the Breeze.

(l) Mailing lists/labels are available to board candidates and their supporters in accordance with release of information guidelines published separately.

(m) The actual conduct of the election will be as determined by the Inspectors of Election. The Administrator will provide administrative and logistical support for the election, as directed by the Board of Directors.

(n) A committee of three property owners is appointed by the Board at the annual election and budget meeting to review and report to the Board on the adoption with corrections, if any, of the annual meeting minutes at the next regularly scheduled meeting of the Board.

Adopted by the Board of Directors on October 17, 1991, amended by the Board of Directors on November 21, 1991, amended by the Board of Directors on December 5, 1991, amended by the Board of Directors on March 16, 1993, amended by the Board of Directors on January 4, 1994, amended by the Board of Directors July 19, 1994 and amended by the Board of Directors on January 28, 1997.

BECOME A CANDIDATE FOR THE 2018 SPRING VALLEY LAKE BOARD ELECTION

**Vessel Stickers are valid from January 1, 2018 to December 31, 2018.
All vessels must be re-registered each year.**

Vessel registration will begin January 2nd, 2018. Vessels can be registered from 7:30 a.m. until 5:30 p.m., Tuesday through Friday.

All NON-POWERED vessels (kayaks, canoes, paddle boats etc.) as well as POWERED vessels must be registered prior to entering the lake. If any vessel found on the lake is not registered, the owner will be cited and fined per vessel in the water.

The following requirements are necessary to register your vessel with the Association Office.

VESSEL REGISTRATION REQUIREMENTS:

All Documents (DMV Reg., V.O.P., Ins.) MUST list the same Homeowner/Tenant Member's name. The Association office will need copies of the following: V.O.P., Driver's License, DMV Registration, Insurance, Safety Inspection and Signed Conditions form.

- 1. Yearly safety inspection.** All powered vessels must pass a safety inspection by our Public Safety Department. You may call and schedule an officer to come to your home or bring the vessel directly to the launching ramp. Please remember to **make an appointment prior to bringing the vessel to the marina.** Other than sailboats, all non-powered vessels do not require a safety inspection. **The inspection will include a review of the following:**

- Current DMV registration, listing the hull number, make and model of the vessel
- State registration numbers properly displayed with certificate number when applicable
- Sound signal devices, visual distress signals, lights, ventilation systems, flame arrestors, water ski flags, fire extinguishers, and personal flotation devices
- Inspections will include check for Quagga Mussels
- **Please contact the Public Safety Department at 760-245-6400 with any questions**

- 2. Current Driver's License listing the HOMEOWNER or TENANT Member's name.**

- 3. Current SVLA Operator's Permit.** An operator's permit is required for all Homeowners, Tenant Members, and their guests driving powered and non-powered vessels. The Public Safety Department administers the test daily at 9 a.m., in the Community Building. Study guides are available at the Association Office and online at www.svla.com.

- 4. Current State DMV Registration.** The registration must include the homeowner's or associate member's name and address.

- 5. Current insurance policy.**

- **Powered vessels must** provide the following:
 - a. Name of the homeowner or tenant member
 - b. Policy number
 - c. Policy period **must include beginning dates**
 - d. Vessel hull and CF number
 - e. Spring Valley Lake Association **must** be listed as **additional interest**

SVLA correct mailing address: 7001 SVL Box, Victorville, CA 92395

- g. \$300,000 minimum liability

- **Non-powered vessels must** provide the following on **homeowners** policy:

- a. Name of the homeowner or tenant member
- b. Policy number
- c. Policy period must include beginning dates
- d. Spring Valley Lake Association **must** be listed as **additional interest** with mailing address

SVLA correct mailing address: 7001 SVL Box, Victorville, CA 92395

- f. \$300,000 minimum liability

- **SVL Staff members cannot inquire for you.**

Insurance companies will **ONLY** provide information about individual policies to policy holders.

- 6. Payments and stickers.** Payments are taken and stickers are issued **after** all the above requirements are met:

- Non powered vessels \$0.00
- Powered vessels 15 horse power and under \$45.00
- Powered vessels over 15 horse power \$150.00

Vessel Stickers are not prorated.

For any questions, regarding the above information please contact the Association office at 760-245-9756. Our goal is to make this process as easy and convenient as possible for all homeowners/tenant members. Please register your vessels early and take full advantage of our beautiful lake.

Friday is our busiest day for boat registrations. So please consider an alternate day to save both waiting time and frustration. If you call our office prior to registering a vessel, we will gladly provide you with a personalized list of requirements.

LISA HARTLEY, PUBLIC SAFETY DIRECTOR

During the colder months, the Public Safety Department receives many calls regarding water leaks due to broken sprinkler pipes. If the temperature of your pipes drops below 32 degrees, even for a short period, you run the risk of a pipe fracture or worse. Underground sprinkler piping is usually insulated from freezing temperatures by soil. Valves and piping that supply water to them are generally above ground and are the most likely places to find a leak. Try these suggestions to minimize your chances of a broken pipe:

- If you have an automatic sys-

tem then you can “shut down” the controller (timer). Most controllers have a “rain mode” which simply shuts off the signals to the valves.

- Disconnect and store garden hoses. If your home has a separate shut-off for external faucets, turn it off and drain the water from those faucets.
- Above ground piping needs to be insulated. Self-sticking foam insulating tape or foam insulating tubes are commonly found at home supply stores and are relatively inexpensive.
- If you have a gardener or a lawn service company, talk to them about winterizing your above ground irrigation pipes.

If you are out in the community and notice a water leak at a property, please report it to the Public Safety Department (760 245-6400).

courtesy notice as a reminder. If you do not want to register your vessel in January, you can remove your vessel from the lake to avoid a citation. When you are ready for a vessel inspection please call the Public Safety Department at (760) 245-6400 to set up an appointment time. Please remember that once you receive your new 2018 SVLA stickers,

you need to place them on your vessel.

To aid in preparation for the vessel inspection, we have included the following checklist for vessel owners:

Powered Vessels

- Current Vessel Operator Permit (VOP)
- Current and valid state registration indicating the appropriate member as the registered owner.
- State registration numbers and hull identification numbers must be displayed properly and unobstructed.
- Vessel must be maintained in a working order (motor and structural efficiency).
- Navigation and anchor lights must be in working order. (PWC excluded)
- Sound device (built-in air horn,

hand-held air horn, whistle, Etc.)

- Flame arrestor properly installed. (PWC excluded)
- Serviceable fire extinguisher filled to appropriate levels.
- Red/orange ski flag. (PWC excluded)
- Throwable personal floatation device. (PWC excluded)
- USCG approved life jacket for every persons allotted by max capacity.
- Ventilation or ‘blower’ must be in working condition. (PWC excluded)

SVLA R&R 5.2.2. All vessels must have current State and Spring Valley Lake registration decals before being placed on the lake.

SVLA R&R 5.2.5. Boat registrations are valid from January 1st to December 31st of each year.

Meet the Team

Corporal Cody Partridge

Hello Spring Valley Lake Residents!

For those of you I haven't met yet, my

name is Cody Partridge. I have been with the Spring Valley Lake Public Safety Department for just over two years now. I was recently promoted to Corporal of the swing shift at the Public Safety Department and couldn't be more excited to serve this community as a supervisor. The majority of my time has been spent on the graveyard shift, where I dealt with calls

varying from wild opossums in resident's houses to suspicious activity within the community. I got a lot of great experience at night and I am ready to serve this community during regular day-time hours! My goal ultimately is to pursue a career with the California Highway Patrol and I think the experience I've gained here will be invaluable. On my off time, some of my hobbies include weight lifting, watching football, and spending time with my family and friends. If you need to contact me at any time you can call (760)245-6400 or email me at:

CODE ENFORCEMENT

Here we are saying goodbye to 2017 and hello to 2018. The year went by so fast it seems. We just decorated the Christmas tree, house, and yard, and now we have to put it all away for another year. Where does all the time go? When you're young it seems like one has forever, but as the years pass and the older one becomes, it seems like time passes very quickly...Strange how that happens.

On February 1, 2018, we will start to inspect homes for any decorations that might still be up. Remember they can only be up for 30 days after the holiday. We know it's much easier to just leave them up for next year and not have to go through all the trouble of packing them away in the garage. Please just humor us and take them down until next year, so we don't have to send out lots of notices.

Are you feeling pressure about your trash cans? We're not going to stop sending notices until they are put where they belong! If you can set them in front of your gates, then you can put them behind your gates. For those of you that leave them in the streets, this is a real problem. You will get written up every time. Until this issue be-

comes under control, notices and citations will continue to be written.

We still see exterior modifications and new jobs being done without any Architectural Project Applications being submitted. Please remember that failure to do this is a \$1,000 fine. It only takes a few minutes to fill out the application and submit it into the Association office. Eddie Vindas, the liaison to the Architectural Committee, will help you with any of your architectural questions. For landscaping projects you must have 30% greenery, 1 tree, a drawing with dimensions, and a small rock sample (if applicable), and list any plants on the drawing. When your application has been approved, you have 6 months to complete your project. This is so much easier than the fine.

What is the difference between Public Safety and Code Enforcement? Some do not know the answer.

Public Safety:

1. Is available 24 hours / 7 days a week.
2. Are first responders in answering medical calls.
3. Goes to most Animals calls
4. Responds to almost any call that comes into dispatch.
5. Enforces all applicable SVL Rules and Regulations and

CC&Rs.

6. Will respond to suspicious vehicle or person checks.
7. Provides well checks when requested to do so.

Code Enforcement:

1. Inspects the exterior of all homes and lots.
2. Submits all Architectural Applications to the Architectural Committee for approval.
3. Submits citations to the Citation Review committee for review and then to the Board for a final decision.
4. Issues notices to Homeowners for Code Violations.

5. Enforces the governing documents pertaining to properties.

These are just some of the differences between the two groups. The four Code officers do not wear uniforms, and their cars are now different than those of Public Safety.

We hope everyone has a wonderful month and a great start on the New Year!!! Let this be a new beginning of a wonderful adventure. Let's all try working together to make this a marvelous community in the High Desert. ♦

Happy New Year!

Fishing Club NEWS

by Jeri Lawrence

The club's annual Christmas Dinner has been a great time for reflection and renewal of the coming year; and as the 2017 event unfolded in Meadowlark Hall in the SVL Community Center, that tradition was apparent. Saying our thanks to the past club president, Mike Conroy and vice president, Mike Christie, was done with a huge gratitude as they led us into a growing club. The new club President is Lonnie Keeter and Vice President is Mel Wolf. Lonnie has

his Board Members lined up and ready to get 2018 moving for the growth of our club.

New membership is open to all members of SVL Association. Founded in 1984, by ambitious members who loved fishing and socializing, we remain the largest and oldest social club in our community. Call Carol Grace, Treasurer, at 760 243-8014 and find out how you can become a member. Have a great social time without ever leaving Spring Valley Lake. Join us.

Planning Committee

by Jeri Lawrence

Going into 2018, committee member, Bo Goulet, will serve as the Community Plan Committee Chair. The meetings will remain as the third Thursday of each month (unless otherwise noted) at 4pm in the Parkview Room. As with other committee meetings, community members can sit in attendance at these meetings. Our purpose is to garner information and ideas to enhance the common areas of Spring Val-

ley Lake. Most enhancements are the ideas and work of the SVLA staff and Board of Directors. However, a combination of the committee, staff, and Board of Directors brings other ideas to the table. SVLA has the best of the best in the maintenance department. Working with Dennis Teece, Director of Operations, and Al Logan, General Manager, has been a pleasure that we look forward to in 2018.

One Responsible Source™

Winning Fitness- A Testimony

by George Mangum, Director of Fitness

My name is Kirsten Acosta, and I am married, the mother of three and have enjoyed living in Spring Valley Lake since 1990. I have always enjoyed the sense of community and active lifestyle our community affords us. In 2014, I started feeling like I needed to get more out of my workouts. I wanted to take my fitness to the next level. I kept hearing about Heritage Victor Valley Medical Group through friends and business contacts and decided to give it a try. And, after 1 class, I was hooked! My first class was on a Saturday morning, and the following Monday I began attending classes at least 4x per week and have been going regularly ever since. I loved the support and encouragement of the trainers and my fellow class goers. They made me feel like family (aka the BAMily). I kept encouraging my own family to come and try a class as they were curious and seeing the results and success I was having. Now our entire family works out

together; 3 – 4 times per week at HVVMG and we have found a fun and healthy way to stay connected with each other.

Now, here I am, 3 ½ years later, and I am in the best shape of my life. I have become stronger, increased my endurance, lost weight, and feel fantastic. Because of HVVMG, I had the courage to do my first mud run, which turned into several mud runs, which turned into competing in the world famous Spartan Races. In 2017, my family and I completed our first Spartan Tri-fecta, where we ran all 3 types of races within a year! It was one of the hardest, and at the same time, most exhilarating accomplishments for me. My goal in 2018 is to complete a double trifecta which will start with the first Spartan race of the year in Chino at the end of January. Both my family and Heritage BAM-ily will be there with me and I wouldn't have it any other way! Cheers to 2018!!

ESTATE PLANNING AND TRUST SERVICES

Top 3 MYTHS about Estate Planning

1. A Will keeps my family out of court.

FALSE. A Will is given to the court to administer through the time consuming and expensive Probate process

2. I only own one home, so I don't need a Trust.

FALSE. ALL real estate must go through Probate if not passed through a Trust or other planned transfer.

3. I have a Power of Attorney, so my kids won't have to go through Probate.

FALSE. A Power of Attorney is no longer valid once you pass away.

A properly designed estate plan is the best way to protect your family and ensure your wishes are followed in the most efficient and inexpensive way.

DID YOU KNOW

MOST ASSOCIATION BUSINESS CAN BE HANDLED WITHOUT COMING INTO THE ASSOCIATION OFFICE?

Monday	Tuesday	Wednesday	Thursday	Friday
2 BUSY	3 BUSY	4 BUSY	5 BUSY	6 BUSY
8 BUSY	9 BUSY	10 BUSY	11 BUSY	12 BUSY
15 BUSY	16 BUSY	17 BUSY	18 BUSY	19 BUSY
22 BUSY	23 BUSY	24 BUSY	25 BUSY	26 BUSY
29 BUSY	30 BUSY			

We all know how busy life can get and how difficult that makes taking care of business.

We just wanted to let you know that most things that would normally require a visit to the Association Office, can all be done without ever stepping foot into the office.

Vessel registrations, vessel slip rentals, equestrian stall rentals, architecture applications, facility rentals, tenant membership, weed abatement, etc. can all be handled over the phone.

We are always willing to help you get things taken care of, so give us a call and we can let you know what paperwork is needed, which can be faxed or emailed over, and if payment is required we can take payment over the phone for most things (with the exception of Association dues). Also keep in mind that Association dues can be dropped off at our office after hours by sliding through the doors and all payments are collected and logged the following business day.

So don't stress it and give us a call to get going on taking care of any business you need to handle with the Association 760.245.9756.

Endeavor School of Exploration's 6th Grade teacher, Gia Devlin, cultivates the brilliant ideas of her students by the implementation of a Genius Hour program where the students find their passions and make them happen. Pictured above are three such students;

Mia August, Madison Hartley, and Selena Zheng, all of Spring Valley Lake. The girls spent 12 weeks selling handmade dog toys and collecting donations for the Hesperia Animal Shelter. The girls donated \$338 to the shelter on December 14, 2017. This was one of the largest non-sponsor donations the shelter has ever received! Congratulations on a job well done!

Breakfast With Santa

We had another successful visit with Santa on December 16, 2017. We had just under 300 reservations come in. Mr. & Mrs. Claus along with their special elf spent all morning visiting with the SVL children and taking their requests. Everyone was able to enjoy a nice pancake and sausage breakfast while they waited to see Santa. It was wonderful seeing so many smiles fill up the room. Thank you to all who joined us. We hope everyone has a very Merry Christmas and a Happy New Year!
