SVLA BOARD VICE PRESIDENT

JOHN D. SMITH

I would like to address some of the tragic events that took place in October. First, let me say I am a large proponent of using social media as a public source of information. We now have information at our fingertips on every device 24/7; tablet, phone & computer. We no longer have to rely on the evening news, morning and evening newspapers or other dated forums dedicated to public information. Now we have Twitter, Facebook, Blogs, Vlogs, Snapchat, Instagram etc. However, with the technology, the 24 hour news cycle, and the growing number of citizen journalists, we seemed to have (in some cases) checked our civility and personal responsibility at the door. In an effort to fight for views, likes and comments, there are some among us that will callously sit behind their device of choice, snap pictures and type away without asking themselves one critical thing: "Is this appropriate?" When the breakdown in appropriateness occurs, now we have to have someone to blame for proper censorship, but not over-censorship and the finger never seems to end up pointing at the originator.

As I stated, we had some tragic events take place in the month of October: Two very serious traffic accidents and a suicide. I am not

going into any more detail than that in describing the events that occurred, but 2 of these incidents did affect me and my family personally as they were dear and close friends of ours. The social media was "a buzz" in SVL for all three. The pictures and videos that were posted were not only highly inappropriate, but some of the comments were extremely reprehensible. I am not appealing to any site administrator(s) to "take control" or "get people in line". I would just like you, the person reading this (and those citizen journalists that posted it/commented on it), to stop and think; if this were you, your family or your friends – "IS THIS APPROPRIATE?" Is this how you would like your next of kin notified? Is this how you would like your friends and family to find out that something tragic has happened to you, or your loved ones? Is this something you want to see pop up in your newsfeed? When news reporters and anchors report on horrific accidents, or crime scenes, graphic pictures and names of those involved are withheld or censored out of respect for the family. I saw no such respect in the posts on social media surrounding these events. I would hope a community as close as SVL would set the bar a little higher as these are all our neighbors, and in

some cases close personal friends. A simple post about an incident, accident and statements to avoid the area or thoughts and prayers going out to the families would have been more than sufficient. We didn't need graphic pictures and crime scene video coupled with comments filled with disinformation and callous conjecture. If you want to assume the personal liability associated with chasing down cars that speed past you, pass the school bus with red lights flashing, roll a stop sign, etc. and post pictures of their car, license plate and address, that is between you and your legal professional. When it comes to the incidents I have described above I would ask that you check your moral compass, or at the very least take a moment of pause and put yourself in the situation you're about to post.

Social media and the internet are excellent tools that we have incorporated into our daily lives, but we must also refrain from becoming a voyeuristic society and reveling in the tragedies of others. Those of us that were close to these incidents, that saw what was being posted, were very hurt and very angry to say the least. If you see nothing wrong with how this unfolded on social media please look to your own lives and think of the things you wouldn't want to see about you posted on the World Wide Web available for download, comment, re-tweets and shares. I would encourage you all to get to know your neighbors and make lasting friendships where you can. You never know who is going to make your time on this big spinning ball more enjoyable. 💎

We received from the county the final rendering of the monument that will replace the arch. It will be a 20-foot high stone and brick 4-sided monument with 4 waterfalls on the north and south sides. I want to send out a thank you to the county for coming up with a monument befitting our community. If you would like to see the renderings, we will have them posted both in the association office and the community center.

I hope everyone has a wonderful Thanksgiving!

PROJECTS AROUND THE COMMUNITY

We are still working at fishing area 10 which is located on Lakeview Dr. near Sea Gull edge along the shore line. I have attached some photos that were

taken at the end of October showing the progress of the fishing area. We look to finish this fishing area before the end of the year.

OUR LAKE

Some of the maintenance items we will be doing this winter is repairing the west beach off the lake. We will be draining the swim beach to drag and reshape it. We will also be building a new permanent shade structure at the

west beach entrance to match our life guard stations.

We will keep you informed on these projects and updates. As usual we choose the winter months to do maintenance at our docks; painting, cleaning and updating as required through-out the docks. These are regularly scheduled during the off season as use slows down and to prepare for next year's summer. 💎

FISH STOCKING SCHEDULE

The first stocking of 1500 lbs. or approximately 1400 rainbow trout is scheduled for:

Week of November 14, 2016

Week of December 12, 2016

We will then have 1000 lbs. or approximately 900 rainbow trout scheduled for the following dates:

Week of February 6, 2017

Week of March 13, 2017

These trout from our local Jess Ranch fishery.

Happy fishing!

CODE ENFORCEMENT MEMBER SERVICES COMMUNITY SERVICES COMMUNITY EVENTS RECREATION

PAUL BEAM Director

Fall is Here!

The holidays will soon be upon us with family and friends gathering to share all the marvelous foods and the festivities of the season. During the hustle and bustle of the holidays, we hope that you remember to take a little time to beautify your home and landscaping.

In the next few weeks the community will come alive with an array of decorations that will delight us all. People will put away the spiders, and their webs, and all the cute little Halloween decorations, and the community will come alive with Thanksgiving decorations.

Before you get started with the hustle and bustle of the holidays, make sure you have begun to winterize your homes. Check your A/C, water pipes, outside water lines & hoses. Water lines will freeze up here in the high desert during the winter, so make sure you wrap them. Drain swamp coolers and cover them up. Last year we had many reports of cracked and broken water lines.

One area that is often overlooked is smoke detectors that are required in every room. Check them to make sure the batteries are good. With cooler weather coming you will be turning on your heaters, so checking those air filters is another good thing to be doing. Our weather people say more rain is coming, so if you want to keep it dry, cover it up!!! There are over

4025 homes in our little community, and we do our best to keep all of you informed of things going on in Code Enforcement. If you have any questions at all, please contact us at (760) 245-9756 in the Association office.

Please be aware that we are issuing Courtesy Notices on all boats, trailers of any type, Fifth wheels, Motorhomes, Campers, Camper shells, Personal water toys, etc. parked in driveways for more than 72 hours. Please find a storage place for them for the winter. If you have company coming for the holidays please call us so that we can make arrangements for your house.

Once again, we want to remind owners that you CANNOT make ANY changes to the outside exterior of your house or property without the approval of the Architectural Committee. It just takes a few minutes to fill out the project application and submit it to the Association office. Ashley Yates and Eddie Vindas are here to help you with completing the application. Be proactive and never face that fine of \$1,000!!! Get that Project Application in.

With the rain we always get a bumper crop of weeds. Our dry

yards and landscaping love the moisture, but keeping up with the weeds is going to be a task within itself. We'll also have a few days of nice sunshine to dry everything out, just enough time to work on the weeds. Seems like things are never ending!

Soon family and friends will be gathering to share good food, fun times and lots of love. If you're not into Thanksgiving, then you can sure enjoy the day off! However you celebrate the 24th, have a wonderful day!!!!

Planning Committee

By Jeri Lawrence/Committee Chairperson

During the October Planning Committee meeting, the discussion centered on projects for Spring Valley Lake other than Meadowlark Park updates. We agreed to bring the Spring Valley Lake Community Center (building) plans back to the table. The remodels that have been completed inside as well as outside the center are amazing and there is more that can be done in that same direction. For each budget cycle, funds are posted to the General Fund by way of committee requests (as well as staff

and Director requests) for necessary projects. Understanding that process is the forefront of all discussions during the Planning Committee meetings. That said, future remodels are discussed far ahead of next years' budget process. In most cases, committees request approval from the Board of Directors for future projects while the funding is researched by staff. So, as this year is ending, committees are already discussing future projects. Stay tuned. 💎

Story by Jeri Lawrence

The Social & Fishing Club members will wind the year down celebrating together during our annual Christmas Dinner on Monday December 5th. As in the past, the dinner will be a catered event with a wonderful presentation and flare. This year our caterer will be Hi Desert Caterers out of Phelan and traditional Turkey Dinner will be the outstanding feature on the table. This event is for members of the club (only) as a huge "thank you" from the club's Board Members. All club members will be receiving a notice with more in depth information.

Our club has grown this year

in part due to the efforts of President Mike Conroy and his Board Members. Our club has been active since 1984; and while revolving into a more social club than a group of fisher people, we still hold as a strong community inspired organization.

Membership for 2017 will begin during the January Bingo Party. Being a member of our club will assure that you will be attending events within your community and some planned for travel. Look for more information on how to join in the December addition of the SVLA Breeze. Enjoy a warm and comfy Thanksgiving. 💎

HAPPY VETERANS DAY FROM THE SVL VETERANS CLUB

VETERANS DAY IS A DAY ESTABLISHED TO HONOR, PAY TRIBUTE AND TO RECOGNIZE THE SACRIFICES MADE BY THOSE WHO ANSWERED THE CALL OF THIS GREAT COUNTRY. HISTORY HAS TAUGHT US THAT FREEDOM IS NEVER FREE. THE ULTIMATE PROTECTORS ARE THE BRAVE MEN AND WOMEN OF OUR ARMED FORCES WHO TOOK AN OATH TO PROTECT AND DEFEND OUR FREEDOM AND LIBERTY. LET US TAKE A MOMENT TO REFLECT AND NEVER FORGET THE HEROES WHO MADE THE ULTIMATE SACRIFICE AND TO REMEMBER THOSE WHO HAVE NOT YET RETURNED HOME.

THE SPRING VALLEY LAKE VETERANS CLUB WOULD LIKE TO SALUTE THE SOLDIERS, SAILORS, AIRMEN, MARINES AND COAST GUARDSMEN WHO HAVE RENDERED THE HIGHEST SERVICE ANY AMERICAN CAN. WE HUMBLY THANK YOU FOR YOUR BRAVERY, PATRIOTISM AND DUTY TO OUR COUNTRY.

HALLOWEEN PARTY

2016

SVL had another successful Halloween Night! The spooky Community Center saw approximately 400 children and adults. The room was housed with 11 different games, a photobooth and a spooky maze. The children circled the room and played game after game to win lots of candy and many different prizes. You could hear blood curdling screams as everyone made their way through the halloween maze. It was a successful evening which would not have been made possible without the help of Venture Crew 257. Spring Valley Lake Association thanks Venture Crew 257 for all their hard work! Thank you to everyone who came out and spent the evening with us, we hope to see you as we approach the holiday season!

Scouting for Adventure?

Join Venture Crew 257

Co-ed Scouting program designed for high school students (Anyone age 14-20 can join)

6-8pm Meets Every Thurs. (Except the 2nd Th.)

SVL Community Building 12975 Rolling Ridge Dr.

STEM Program

We incorporate the scouting STEM program into a majority of its activities. If you aren't into STEM, don't fret! We leave the boring stuff for school! The crew also checks out the different STEM careers.

Join us!

We have a variety of activities outside of meetings, such as hiking and going to concerts.

Help the Community

We help out by putting flags up on national holidays, doing food drives, and cleaning up our community.
