# BECOME A CANDIDATE FOR THE 2017 SPRING VALLEY LAKE BOARD ELECTION

The Bylaws of the Spring Valley Lake Association and the State Corporations Code give wide latitude to the Board of Directors in establishing procedures for the conduct of elections.

In summary the Bylaws dictate that:

(a) The annual elections meeting be held on the last Saturday of each April.

(b) That four Board seats are up for election in even numbered years; three seats in odd numbered years.

(c) That members serve for two

year terms and may only serve for two consecutive terms.

(d) That the only qualification for members of the Board is that they be voting members (property owners) in good standing.

The seats up for election are currently held by John Smith, Amy

Stanton and Jonathan Tasker. If you are interested in running, fill out the form below and return it to the Association Office. Deadline for submission: February 10, 2017. Forms are also available at the Association office or download from our website: [www.svla.com](http://www.svla.com)

## *Help Shape the Future of Your Community*

Property Owners are invited to complete the "Notice of Intent to Run" form if interested in serving as a Spring Valley Lake Board of Director. Forms can also be picked up at the Association office or downloaded from our website, [www.svla.com](http://www.svla.com).

Send the form in, along with a resume of qualifications, goals and objectives to the Association Office. **Statements for publication should be no more than 350 words.** Return to:

13325 Spring Valley Parkway or  
7001 SVL Box  
Spring Valley Lake, CA 92395

You will also need to attach a 4"x6" or larger photo for use in our publication as well as for the mailed out election materials. (Photos may be electronically mailed in jpg format, as an attachment to: [mpunsal@svla.com](mailto:mpunsal@svla.com))

# Are you a Veteran or a Surviving Spouse!

## Sterling Inn's VA Program

The VA designed this program to help Veterans and their surviving spouses receive the financial support necessary to ensure their continuing care in an assisted living setting. The pension provides benefits to Veterans and their surviving spouses.

Sterling Inn Assisted & Independent Living community was the first senior living community built in Victorville, offering quality design and craftsmanship set in the beautiful high desert. Whether you are looking for an Independent lifestyle with help available as needed, or need regular assistance with the activities of daily living Sterling Inn can provide the finest environment for senior assisted living. Dedication to the care of our residents is a top priority with our 24/7 nurses.

This time of year is also the time to think about your boat registration. Last year we experienced a significant increase in the number of boat registrations and slip rentals. In fact, for the first time in recent memory, all the slips were rented and there was a waiting list. I would highly recommend to register your boat as early as possible and get your name on a slip before

Finally, it is that time of year when pipes can freeze due to low temperatures. Our Public Safety Department is always on the lookout for broken water pipes, but many times lack the contact information to notify the property owner in an emergency. Please make sure your contact information is up to date and accurate by notifying the Association office of any changes.

Happy New Year!

## PROJECTS AROUND THE COMMUNITY

The Maintenance Department wishes you a Happy New Year. As we remove all the Christmas decorations, we look forward to focusing on some projects that have been scheduled for January. This month we will complete one of the final phases of construction at Fishing Area 10, allowing us to open this fishing area back up to the members for use. We will also be installing a new park bench that will be donated by the Spring Valley Lake Lions Club. This fishing area is the final fishing area that was designated for remodeling and part of the Mohave Water Agency water conservation program providing SVLA "cash for grass". When complete, SVLA

will receive \$21,785 that will be used to install some shade structures at some fishing areas.

Other projects we are concentrating on will be clearing the section of the greenbelt which is SVLA property west of Spring Valley Lake Parkway. This is an ongoing year round maintenance project. We have been clearing a lot of the area recently. Our crews will be removing mistletoe and trimming trees at our west and east beach area. At the Marina we will be repairing the docks, replacing missing or damaged bumpers, painting wood panels, repairing decking, lights and electrical issues.

We will also be closing our swim beach down on Febru-

ary 6, 2017 and reopen it by February 23, 2017. During this closure, we will be draining the beach to remove the sludge build up on the bottom. This organic build up at the bottom has not been removed for many years. We will add new sand to the bottom and reshape the swim area back to its original shape. We seem to do this yearly as the wind pushes the sand to change the design. We will also use this

time to do general maintenance to the dam and lifeguard towers. We also plan on adding sand to reduce the step up into the grass area and basketball court on the west beach side. A more permanent shade structure will also be added at the gate entrance that matches the lifeguard tower for SVLA summer. We will also take this time to rebuild the lake side of the west beach.

### Trout and Other Fish Stocking

We have already received 3,000lbs of trout since our stocking in November. The next scheduled planting are for the following dates:

Week of February 6, 2017-1,000lbs.

Week of March 13, 2017-1,000lbs.

Working with the lake committee we have already placed orders for some plantings of some additional fish to help out with our current population. These will be planted in March of 2017. We will be adding 7,500 shiners and 7,500 fathead minnow to help with our current food chain for our sport fish which are the largemouth and smallmouth bass. We will also be adding 1,000lbs of channel catfish and 2,000 of each—Blue Gill,

Red Ear Sunfish and Crappie. All of these are currently species that self propagate in our lake. We are just adding to the current population for a healthy fishery. Trout do not reproduce and need to be purchased yearly for cold temperature fishing.

*Aerial view of Fishing Area 10 prior to the landscaping being installed*

### Christmas Tree Recycling

SVLA along with Advance Disposal will offer a dumpster to drop off your tree. The dumpster is located at the Marina parking lot from 12/23/16 to 1/16/17. This program will have just ended by the time you read this article. We have recycled a ton of Christmas trees, removing over 15 large roll offs full of Christmas trees. Advance Disposal offers this program yearly.

ALFRED LOGAN, PUBLIC SAFETY DIRECTOR

We are proud to report that we have two certified CPR instructors on our team. Sergeant Michael Paszkowski and Corporal Josh Ortiz took on the challenge and are now ready to teach others. Our dispatch team will have a list available to take down the names of residents that are interested in getting CPR certified. We take our responsibility of being first responders to medical calls seriously. In fact, we train often to be sure that when we are put under pressure to perform life saving measures, we do it correctly and with confidence. Speaking of CPR, I want to personally say great job to Officer Franco and Sgt. Paszkowski. On 12-31-2016, they both responded to a medical call at 4am for CPR. Units responded and immediately took over CPR. Med Engine 22 and AMR responded to the location

and began to administer life saving measures. Everyone worked together and, as a result, the resident was successfully resuscitated. We conducted a follow up at the location and were told the victim is showing positive signs and recovering. Our team is hoping for a full recovery. We are thankful that we have the privilege to work with our local Fire Department and AMR team. Together you all helped save a life and that's something to be proud of! Thank you for your hard work.

## Securing Your Home

*By Sergeant Michael Paszkowski*

Hello Spring Valley Lake Residents. To those who are unaware of the recently high number of open garages we find throughout the Spring Valley Lake community, it is my utmost concern that I inform you all of the safety issues that have been occurring. It is with great privilege for me as well as my officers to provide you

with assistance in securing any open garages we observe while on patrol. Unfortunately, we are not able to locate every open garage throughout the community. To combat against the opportunities for potential crimes, I ask you, the community, to take preemptive measures in securing your garage doors. It can range from creating a routine to check the perimeter of your residence for any kind of

doors that might have been left unsecured, to setting a reminder that is easily visible and allows you to quickly secure the open garage without delay. If you have

any questions regarding this issue or any other issue, you can contact me personally at [mpaszkowski@svla.com](mailto:mpaszkowski@svla.com)

## Meet the Team

Doug Gebhardt, Officer

Hello Spring Valley Lake residents, my name is Doug Gebhardt. I am a new Public Safety officer for Spring Valley Lake. I have

been in the management / distribution field for over 15 years and have always wanted to be able to service the public. I enjoy working with people and others which

makes me a strong people person for this job. I am very pleased and honored to be part of this community. In my personal time I like to go outdoors/fishing/camping and river runs to Laughlin. If you ever have any questions or concerns feel free to email at [dgebhardt@svla.com](mailto:dgebhardt@svla.com) or you can always call my office and ask for me personally at (760)245-6400.

Thank You,  
Officer Gebhardt

LaTangela Williams, Officer

Hello Spring Valley Lake residents, my name is LaTangela Williams. I have been with The Spring Valley Lake Public Safety Department for a little

over a month now and it's the most amazing job I have had by far. I'm learning so much within the short time that I have been here, and I enjoy my job each day. I am very thankful for being given the opportunity to be a part of the Public Safety Department. I will do my

very best to keep this community safe and enjoyable. If you see me on patrol, don't be afraid to wave hi or even flag me down so that I can answer your questions. I came into the job knowing I would be able to help others and try to make a difference. With that being said, I am honored to be a help in any way I can. Thank you for taking the time to read my article, if you have any questions or concerns you may contact me at our office at (760) 245-6400 or at my email [lwilliams@svla.com](mailto:lwilliams@svla.com).

Thank You,  
Officer Williams

A reminder that current yellow vessel stickers expire December 31, 2016. If your vessel will remain on the water, please register for the 2017 vessel stickers in January.

# CODE ENFORCEMENT MEMBER SERVICES COMMUNITY SERVICES COMMUNITY EVENTS RECREATION

**PAUL BEAM** Director

We hope everyone had a great Christmas and a wonderful New Year's. Now comes the task of putting away all those decorations, keeping the gifts you want, returning ugly sweaters, and getting rid of the dead dry Christmas tree.

For those of you that have live trees, please bring them to the Association office parking lot. We have provided dumpsters for your convenience. The dumpsters will be there until at least January 11, 2017.

The New Year is greeting us with very cold temperatures. Some areas have even been covered with snow. We have learned that some homeowners have had frozen pipes, and this is the weather to watch out for that. Make sure if it's going to be close to 30 degrees at night to let some water drip. Remember that "running water will not freeze".

As we have been driving around, we have noticed that some animals do not have any shelter. If it is too cold for

YOU to be outside, it is too cold for your horses, dogs and cats to be outside. Even though the horses may have shelter, they still need a blanket or two on. Pets lose heat through the pads of their feet and ears. There are all kinds of pet coats in the stores. **Please** do not leave your dogs or cats out at night in this freezing cold. They depend on you to protect them and keep them warm. Remember **they are part of the family also.**

A reminder... we will start inspecting for outside decorations still up around the end of January 2017. We thank you ahead of time for helping us move forward in the new year.

It is with regret that we must say goodbye to one of our own Officers. Ashley Yates has chosen to become a full time Mom to raise her beautiful daughter. We wish her the very best on this new journey of her life. She will be missed as the Architectural Liaison in the Association office. She helped so many residents get their projects started and completed. Congratulations Ashley on your new life!!!!

Many signs are appearing in front yards that are advertising businesses. Please be advised that this is in violation of the rules. Arch. Manual 8.2.6, reads: "Signs advertising products, activities, and/or services, other than those pertaining to construction, shall not be allowed." We have seen a lot of sign advertising pools, electric companies, etc. Should you have such signs in your yards, please remove them, so we do not have to send you a Courtesy Notice.

We hope everyone is looking to this coming year with positive dreams, new projects, and getting much accomplished. Somehow we in Code Enforcement want to see the community become the Jewel of the Desert once again. We know this can happen, but we all must work together. Our homes and landscaping need some fine tuning. We thank the property owners who work so hard to keep their homes so beautiful day after day!!!! It's you that keep Code Enforcement moving forward with hope that everyone will get on board!

*Story and photo by Jeri Lawrence*

The year began with freezing weather outside, but inside the SVL Community Center January 2, it was warm and cozy with the club members enjoying hot dogs, popcorn and bingo! With plenty of fun games, made more fun by the comic calling team of Mike and Mike, there were winners galore. Our Bingo Parties are sponsored by the membership; therefore, guests are not encouraged. Not a member? What? Get off the sofa, make a call, and on the first Monday of each month join your friends and neighbors for fun, food, and events with the oldest

and largest club in your community. A quick call to Carol Grace at 243-8014 will get you all the information needed to get you started.

The board members for the Social & Fishing Club will meet this month to finalize our calendar for the New Year. With the exception of some away golf trips, our planned events are mostly held right here in Spring Valley Lake in the SVL Community Center. While fishing has gone a bit by the wayside, it is not gone all together. Hope to see lots of new members in 2017. ♦

# Breakfast with Santa

We ended our busy holiday schedule with Mr. & Mrs. Claus. Santa and his wife made their way into SVL on Saturday morning, December 17, 2016 and enjoyed breakfast with all the SVL kids. All the children arrived dressed to impress and with their Christmas lists in hand. A delicious pancake and sausage breakfast was enjoyed and many pictures were colored by those waiting to visit with Santa. It was a beautiful morning with smiles to be seen all around the room and giggles that were bouncing off the walls. Thank you to all those who helped make this event possible and a big thanks to Cub Scouts Pack 26 and Troop 2226 for all your help. We wish everyone a Merry Christmas and a Happy New Year!

# **REMINDER: Vessel Registration Expires 12/31/16**

**If you are a vessel owner in Spring Valley Lake it is important that you have your vessel properly registered for the 2017 year. Your boat will not be allowed on the water until you have completed the registration process and have received the 2017 stickers.**

**If your vessel is not currently in the water you can register your vessel at any time this year, but keep in mind you will not be able to launch, until it has been registered, and the registration fee is not prorated.**

**If your vessel is currently in the water, it is important that you immediately register your vessel in order to avoid any additional fees or citations.**

**Vessel Registrations can be completed at the Association Office Tuesday- Friday from 7:30am – 5:30pm.**

**If you have any questions call 760-245-9756.**

## ESTATE PLANNING AND TRUST SERVICES

### Top 3 MYTHS about Estate Planning

**1. A Will keeps my family out of court.**

**FALSE.** A Will is given to the court to administer through the time consuming and expensive Probate process

**2. I only own one home, so I don't need a Trust.**

**FALSE.** ALL real estate must go through Probate if not passed through a Trust or other planned transfer.

**3. I have a Power of Attorney, so my kids won't have to go through Probate.**

**FALSE.** A Power of Attorney is no longer valid once you pass away.

A properly designed estate plan is the best way to protect your family and ensure your wishes are followed in the most efficient and inexpensive way.
