

Spring Valley Lake Association

Operations Report
September 25, 2012

Page 1 of 1

Facilities, Maintenance and Grounds:

Weed abatement at EQ trails and Green belt has been on-going this month.

Built new storage area at CB1, removing the shed and wrought iron opening up our Community Building patio. New paint, molding and electrical maintenance upgrades at CB1

Recessed all the electrical on the south walls of CB1.

Added security cameras at the patio of CB.

Cleared out overgrown vegetation at EQ v-ditch.

Repaired sports equipment and playground equipment at EQ and beach parks.

Continued daily landscaping duties are being performed throughout out association.

Cleared 2 of the v-ditch storm drains.

Repaired U.S. Flag lights at CB, AO and EQ.

Repaired South end lights at CB

Lake and Fishing Areas:

Installed new Marina boat ramp gate.

Dragged and weeded beach areas.

We have 2 more treatments of the swim area scheduled for 4:30pm for 8/29/12 and 9/19/12

We took some members of the Lake committee out with us during our weekly well data retrieval and surveying. They also accompanied us during our monthly lake data retrieval.

Trimmed tress at FA 13 and FA 12.
