change in your home or office.**

RORY SHANNON

Welcome summer!! It sure feels like we skipped spring this year. I am sure that most are ready for shorts, flip flops and summer activities. We hope everyone takes the time to enjoy the activities the Association sponsors this summer, especially our annual firework show on June 29.

This year, our staff has really upped their game for kids. Make sure to visit our website, social media and check for email notifications. In addition, we are having discussions on bringing back the Youth Committee to work with staff to add even more events for our youth.

This month, our Task Force will begin its work investigating opportunities for Spring Valley Lake Country Club and the Association. A team of 15 association members will have their first meeting on June 12. They will be meeting twice per month. If you have any questions, comments or input, please email to taskforce@SVLA.com. We will be providing monthly updates, but always

welcome your input or questions.

Never been to one of our exciting Board meetings?? If not, you are missing out on some fun stuff. Ever wonder what was discussed at a board meeting you were unable to attend? Each meeting minutes are posted online for your review at: www.svla.com, click on I Want To tab, click on View BOD Agendas and Minutes.

Lastly your Board has been busy getting started on plans for the coming year. We have identified key issues that we want to work on and are busy finalizing the list. We plan to have a very productive year and will have the list out soon.

Lastly... I am quickly getting to know our staff at the Association office. Everyone has been very welcoming to me. They have been very patient and helpful as I get acquainted with the role of Board President. We have a great team there that is always willing to help. 💎

One Responsible Source™

ALFRED LOGAN, GENERAL MANAGER

Our Mission:

The Spring Valley Lake Association's mission is to ensure that the community remains the most desirable place to live in the Victor Valley, through strong leadership, professional management, collaborative interaction with residents and enhancement of the quality of its amenities.

I want to remind every resident of the SVLA's mission statement, and to emphasize that it will take the commitment of our entire community to achieve this. As your GM, I'm working with our team to identify what our staffing needs are, so that we can maintain the amenities and community, in line with our mission statement.

Summer Time

This year is going by quickly! We have now hired our seasonal staff, and they are working out on our amenities to help to make your summer experience safe and enjoyable. Please remember that our seasonal staff is new, but they will do their best to enforce the rules and regulations. If you have any concerns regarding the summer staff, please contact the department director.

In addition, we are excited about a new position; that of a Life-

style Specialist, which we are implementing this summer. This specialist will work together with our community, to create summer activities for our adults and youth. We will send out more information about this via social media and e-mail. We truly believe that this summer will be one that you and your family will enjoy and remember.

Code Enforcement

Each month we will present statistics concerning the activity of our code enforcement team. We understand that there are some residents who are concerned that we are not enforcing the rules. I'd like to assure you all that our code enforcement team is very busy, doing their job. We will keep you all updated, as we continue to witness residents bringing their properties to compliance. If you have questions about our code enforcement team, please reach out to the code enforcement department and our staff will be happy to answer your questions. If you still have any questions, after talking with our team, please feel free to contact me at Alogan@svla.com.

July – Inspections

Starting in July, our staff will begin implementing the new process for our yearly property

inspections. In addition to routine inspections, our team will conduct a full property inspection for every property in SVLA, including a photo documenting the appearance of the property at the date of the inspection. Each owner will receive either a courtesy notice, listing any violations observed, or a notice, thanking you and notifying you that your property was inspected and no violations were noted. This process will take approximately ninety (90) days. Our code enforcement team will realize this task by inspecting one section of the community at a time, to ensure attention to detail. Our goal is to enforce the regulations consistently throughout our community. I am confident that you will continue to notice improvements in your community.

I would like to invite any residents, who might have a concern, or who would like to learn more

about code enforcement, to attend an open meeting at the Community Center on **July 11, 2019, at 6:00 p.m.** I have noted that there is a lot of incorrect information on social media and I would like the opportunity to explain where we are as a community, in terms of compliance, and where we are going. I will give a presentation showing how our code enforcement team enforces violations; how we are holding residents accountable; and I will answer any questions from the audience. I look forward to seeing you there.

Fireworks Show

Your safety is our priority. This year we will be implementing several improvements to ensure an enjoyable and safe event. I would like to thank Firehawk EMS Protection for being our sponsor this year and for providing EMS services for our community.

LISA HARTLEY, PUBLIC SAFETY DIRECTOR

Firework Show

This year the firework show will be on June 29th 2019. Spring Valley Lake ID cards and guest passes will be required for everyone 12 years of age and older that is attending the event. Please remember that guests must be accompanied by an association member for this event (Rules and Regulations 2.5.1). The Public Safety department will have a large presence of officers to ensure a safe event for

all the residents. We have contacted the Sheriff Department, Fire Department, California Highway Patrol and volunteer forces for their assistance during the event. The beach area will open at 6AM; **NO one will be allowed to access the area before that time.** Please remember that you cannot save a spot and that it is against the Rules and Regulation to leave your items unattended.

****The Public Safety Department will NOT conduct any vessel inspections, give the Vessel Operator Permit (VOP) test or renew any VOPs on the day of the event.****

Other important information to remember:

- **6:00PM** the Public Safety Department will enforce the “no wake” rule on the entire lake.
- **7:00PM** the Public Safety Department will stop launching vessels at the boat ramp.
- **8:00PM** there will be “no activity” on the lake. All vessels must be beached or on the north end of the lake.
- Per the Fire Marshal, after the firework show is over, there will be “no activity” on the lake until the lake siren has sounded the all clear.

Family Festival

Firework Show

Our 14th Annual Family Festival & Firework show is coming up on June 29, 2019. This is SVL's biggest event of the year and it never disappoints. During the day, enjoy water slides, a rock wall, euro bungee, magic show, bmx show and food vendors at Meadowlark Park and then head to the SVL beach in the evening and enjoy more food vendors and a fantastic firework show.

This is an event you don't want to miss so be sure you are prepared ahead of time by ensuring you have your membership cards, and don't forget that guests must be accompanied by a member with a photo membership card.

We are excited to have Firehawk Protection as part of our event this year. They will be at both Meadowlark Park for the Festival and also at the beach area to provide EMS support. This will include one BLS Ambulance, one BLS Golf Cart and one First Aid Tent that will include basic items such as band aids, sunscreen, chapstick, aspirin, tampons and many over the counter medicines. Be sure to visit their tent.

We are excited to make this another great event and we hope to see you there!!

PROJECTS AROUND THE COMMUNITY

I Hope you are having a Joyful June. Our team has been working on work orders and routine maintenance items. In addition to that, we have some updates on projects around our community for you.

Equestrian Estates - we are still clearing weeds on the trails and v-ditches and will be finishing this up shortly. We have repaired some vandalized fencing and contacted some engineers to cer-

tify our bridges on our trails.

Meadowlark Park Project - has seen some delays with the backstop, which our contractor is searching to correct immediately. Our plan is to open phase 2 with or without the backstop by June 29 for our Family Festival. We will be keeping a small section closed that will be finished in a future phase. We have also needed to install a new irrigation feed

line in an unimproved portion of the park near the north parking lot. This small area of dry grass will be back to green shortly.

Marina Picnic Area - Our contractor has completed all the picnic table pads and removed all the soil so we can move forward with drip lines, plants, DG and artificial grass as described in last month's article.

OUR LAKE

We have been working on some replacement barges that we use for lake maintenance and lake treatments, as well as for our annual firework show. The lake committee presented a filter sys-

tem presentation that was approved by the Board. This filter system will be placed at Marina picnic area to filter over 17,000 gallons per hour. A second filter system will be placed at fishing area 9 or 10. We are excited for these new filters; and with the Lake Committee, we will continue to work on the lake quality. The Lake Committee is working on a video to help get more information out there regarding the issues and steps being taken towards the goal. We look forward to bringing you more information and news in next month's article.

This month also brings us our largest event; with all teams working diligently on bringing this year's Family Festival and Firework Show to you seamlessly and safe.

Fishing Club NEWS

by Jeri Lawrence

Such a fun crowd there was during the June club BBQ. Mel Wolf did the honors at the bar-b-que, Lonnie Keeter kept the members lining up for food, while Sandi Conroy, Debbie Wolf, Catherine Kesperich and Mary Galarneau did a superb job of setting up and serving the masses.

The club members voted overwhelmingly to choose Squash for Friends, in honor of Mark Sedam, as our charity project this year. Our club has supported the Lions Club for a number of years with pull tabs and now unused eyeglasses. We have been supporting the Veterans Home

in Barstow with personal use items and now we have added a canned food drive for the Salvation Army. Carol Felix has graciously offered to see that the food items go to the charity via the Hesperia Elks.

Join our gracious and giving club with a phone call to Treasurer, Robert Eaton at 760-951-8721 for all the information needed. We are the largest and oldest social club in Spring Valley Lake. Our name "fishing club" was the reason the club was started, but, as years went on, we slowly stopped fishing and just socialize. 💎

Spring Valley Lake Rods & Relics Car Club

Summertime; warm nights, laying out by the pool, and barbecues are just a few things that come to mind when we think of this time of year. We also know many families will be going on vacation. If you plan on being out of town you can contact Code Enforcement and notify us of your absence. We will input the notes on the account and notify you upon return if anything needs attention. There has been some exciting and effective things happening in the Code Enforcement department. Please read the following for an update.

In efforts to inform homeowners of the many things that we do as Code Enforcement, we have begun submitting monthly videos on the Spring Valley Lake Facebook page. If there is something you would like to know more about, feel free to notify us so we can ensure it is covered in one of our monthly videos. Speak with Valysia Shogunle at 760-245-9756 x. 108.

With so many Architectural projects going on in the community, we want to show how much we appreciate the time and effort owners invest in their properties. Alongside the updated before and after photos displayed

in the breeze, we will also be issuing thank you cards upon the completion of a final inspection of a project.

Starting July, the Code Enforcement team will be conducting yearly inspections. During this inspection, a current photo of each property will be taken and stored in our database. Once inspection is completed one of the following will take place: An appreciation card will be sent to thank you for contributing to the jewel of the desert or you will receive courtesy notices for any violations found at that time. Due to this being a yearly inspection, we will be looking closely at many maintenance related items - i.e. paint, stucco, landscape, gates, roof tiles ... etc. As a team, we will be completing these inspections in tracts. In the month of July, the team plans to have photos and full inspections completed on the following tracts: 8031, 8098, 8099, and 8104. Please see map in reference to the areas listed. Be advised that for the golf course and lakefront properties, the rear of your property will also be inspected. You can pick up an inspection check list in the association office that covers everything we will be inspecting.

Space is limited!

A great way to keep youngsters busy is to sign them up for scouts. Summer would be a great time to do that right here in Spring Valley Lake. Scout Master, Lorraine McDaniel along with her troop supporters, has taken Pack 26 from good to great in 2019. Not only did Pack 26 join in the fun during the Community Family Camp Out, they volunteered to help too.

The Scouts do a fine job of Presenting the Colors before the monthly Board Meetings.

Planning Committee *by Jeri Lawrence*

The Board of Directors have approved the applications for the 2019-2020 Planning Committee: Bo Goulet, Jeri Lawrence, Carmen Aguirre, Stew Anderson, Lisa Verhagen and Bill Walters. We are excited to work with the newly elected Directors as well as the returning Board Members. The committee Board Liaison will once again be Dee Dee Garcia. The Community Planning Committee meets each 3rd Thursday of the month at 4pm in the Community Center Parkview Room. We currently boast six committee

members and all committees are allowed seven voting members. If you would like to be a part of the Planning Committee, please attend our next meeting (June 20) and complete an application or call the Association Office to get additional information. Even though each committee is allowed seven voting members, there can be more than that number on the roster. We have working projects on the "drawing table" to present to the BOD. Guests are always welcomed and, of course, new committee applicants. Stay tuned. 💎

Girls Just Wanna Have Fun— GOLFING *Story & Photos by Jeri Lawrence*

The most popular golf tournament for the gals at Spring Valley Lake Golf Course, is the annual Member/Member. This two-day tournament is always full of fun and surprises. The over the field gross winners are Cathy Abbott and golf partner, Reggie Johnson. Their improved golf score is a

fabulous 76! The net winners for over the field is Kay Bailey and Janie Lynch, with an improved net score of 62. My golf partner, Lori Whitmer and I won first net in our flight with a 63. We have a great group of ladies in our golf club here in Spring Valley Lake.

WHERE'S THE FLAG POLE?

You may find yourself wondering where the flag pole at the Association Office has gone...

After a weekend away from the office we came back and found that the flag pole had snapped and fallen over. Our Maintenance crew was sure to remove it right away. The flag pole has been there for as long as the Association Office and we are fortunate and very thankful that no one was hurt and no additional damage was done.

The flag pole will be coming back, we are currently consulting with engineers to have it reconstructed.

SPRING VALLEY LAKE **KK6** AMATEUR RADIO CLUB **SVL**

MEETS 1ST THURSDAY OF EVERY MONTH

7:00 PM

PALM ROOM

12975 ROLLING RIDGE DR.

If you have a HAM Licence
Want to Test for a HAM Licence
or are interested in learning
more about HAM Radio

JOIN US AT THE MEETING

**CONTACT
GEORGE ELLISON
760.810.1008**

WWW.SVLARC.ORG

Have you ever wanted to be an Amateur Radio Operator? Here at SVL there is a Ham Radio Group; and we meet at 7:00 pm on the 1st Thursday of each month. Did you know that in one exam session, you can satisfy all the requirements you need to earn your Technical Class license? The SVL Ham Radio Group has a person that can supply you with the necessary info to pass that test to become a licensed operator. If you are interested, call George Ellison at 760-810-1008. See You There!

IN LOVING MEMORY

We are creating a memorial section in The SVLA Breeze.

We would like to recognize those who have been a part of our community by honoring them when they have passed on.

If you would like to post a tribute, memorial or notice of a loved one or friend who lived in Spring Valley Lake and has recently passed away, send their information into the SVLA Breeze.

You may also include one photo.

Email: info@svla.com.

Please include your contact information.

Come join us for the Annual Summer Lighted Boat Parade, Saturday, June 22nd, 2019.

We will be meeting on the East Beach and departing at sunset.

This event is open to all Spring Valley Lake residents. You can decorate your boat and participate even if you are not presently a Yacht Club member!!

For more information please call Rick Groff, Commodore @ 442-242-7095 or join us on Facebook.

Lets Talk About: *Sex After 60*

With Dr. Jallen Rix & Dr. Laurie Bennett-Cook

FREE SEMINAR

Get professional answers to those pesky sexuality questions you've always wondered about!

Tuesday July 16th, 1:00pm
18522 Highway 18 #101 Apple Valley, CA 92307

A safe space to discuss women's and men's sexual concerns throughout the adult life span, specifically for the retired community. We will discuss menopause, prostate cancer, and STIs. There will be time for anonymous written questions and answers.

RSVP Required: Call 760-998-1799. Light refreshments will be served.
